John Hersey High School

Michelle,

Well, I don't know where to start. I'm so glad our relationship has turned out so strong over this past year. To think that last year we hardly knew each other. The year didn't start off so well (soccer season was pitiful) maybe next year we'll win at the beginning instead of just at the end. We did a lot of fun things together like : the party at Chrissy's when we got soaked walking in the rain, and going to all those movies at Town 'n' Country. (Stay Superman lives). You know sometimes this past school year would have been unbearable. Especially badminton without you talking to me (calming me down) at times I think I would have killed our opponents. I hope we have more mega classes together next year. We're going to have a "sweet 16" party and I my mom is letting me have a "Sweet 16" party and I would appreciate it if you would help me plan it. Well, see ya' all over. (Of course)

Love, your friend

*On May 7, 8, and 9 the Hersey Theater presented **Curious Savage**, written by John Patrick and directed by Mr. Bruce Drouin.*

Technical Director, Mr. Edward Moon; Make-up and costume consultant, Joan Howdle; and the members of the technical crew deserve a great of credit for their outstanding job on the sound, lights and set construction.

All in all, the play was a spectacular success and keeps up with the Hersey Theater reputation of greatness.

Gymnastics Team Excels In State Competition

The 1981 Boy's Gymnastics season proved to be very successful. By winning 1st in Districts, 1st in sectionals, 1st in North Division and 2nd in overall, the team showed that hard work pays off.

On the vault, individuals that did especially well were Kurt Kaunzinger, Tim Paulson and Ken Von Ebers. On the rings, Greg Teets and Jeff Klop performed exceptionally. Ken Von Ebers did well on floor exercise, while Tom Bray excelled on side horse. Greg Teets was a superb all-around gymnast.

All gymnasts were outstanding last season, but the greatest efforts were put forth by Jeff Klop and Ken Von Ebers. Ken's accomplishments were recognized by a 2nd place title in state.

Once again, the team proved to be a real powerhouse in the state of Illinois. Area gymnastics fans were very proud of their accomplishments.

Softball Has Tough Season

The girl's softball team, coached by Mrs. Holmgren, had a successful season with an overall record of 8-12. They advanced to the Regional Play-offs where they lost to East Leyden, a team that eventually went down state. The junior varsity team, coached by Mr. Foster, finished their season with an 8-11 record.

The varsity team, made up of three seniors, six juniors, and four sophomores, was led by Co-Captains, Cathy Crews and Kim Shultz. Crews was selected by the team as Most Valuable Player and Shultz was elected All-Conference. Other important team members were Mari Brinkman, Susie Hill, Carolyn Sheyker, and Jackie Steffens. All of the girls showed much determination throughout the entire season.

Coach Holmgren is anxiously awaiting the next season. She feels that since most of the girls are returning next year, their experience and skill will add to make for a very fine season.

Baseball Team Slugs Out Tough Season

The 1981 Hersey baseball team, coached by Mr. Len Bending, had a rough 10-13 season. It could have gone much better if they would have pulled out six one-run losses, including an extra-inning conference game against Buffalo Grove. The captains for the team were centerfielder Keith More, pitcher Tom Huene and catcher Dan Voltz.

The Huskies sent two players to the All-Conference team. They were Donn Vucovich and Keith More. The team also named Donn Vucovich Most Valuable Player, and Keith More was also sent to the Illinois Coaches All-Star Game in Peoria. Most Improved Player honors went to Mark Bednarz.

Boys Track Pushes Through Tough Season

The 1981 Varsity Track Team, hoping to finish in the top half of their conference, fell short of their goal this year. Although finishing off with a record of 4-11, some very strong individuals capitalized on their season. Seniors Cliff Blaine and Craig Schachtschneider went down state for their performances in the 800 and 400 meter runs respectively. Other outstanding athletes were seniors Steve Kane, Ron Psenka and Doug Ward.

With this year's team being very enthusiastic about the season, their conference and district scores were not happily accepted. Finishing 12th in both meets, they wished there was more time in the season, as improvement was being shown. Six of their dual meets were lost by only seven points or less with the Oak Park Relays being their best performance of the year. Going against some of the best teams in the state, they pulled a 9th place finish for the afternoon. The team was coached by Mr. Larry Travis, who is looking forward to a prosperous season next year.

1981 Girls Track Team Sends One Downstate

The 1981 Girls Track Team proved to be successful and promising. The team's Conference record was 5-6 against tough competitors. About mid-season, the Huskies acquired 1st place in the Maine North Invitational.

Among the outstanding girls was Carolyn Pasterski, who captured 1st in Conference, 2nd in Districts, competed downstate and finished 11th — all in the shotput event.

Districts proved to be a rewarding meet. Jackie Purcell broke the school record jumping 5'3" in high jump, placing 4th. Shelley Brodeur secured 5th place in long jump. In the 440 yd. open Julie Joy placed 5th. Monica Wendell took 5th in the 200 meter hurdles, and 6th place for the 100 yd. dash went to Annette Kjeldbjerg.

At the end of the season, the freshmen placed 2nd in the Wheeling Freshmen Invitational. This, along with the returning talent, "shows definite potential for next year's team," stated Head Coach Terri Swanson. Next year will hopefully have more specialization in certain events, which may result in an even stronger team.

Boys' Tennis Team Battles In Tough Conference

The 1981 Boy's Tennis Team had a disappointing season and fell short of their 5th place or better goal. The team finished 10th in a tough conference with a 3-8 dual meet record.

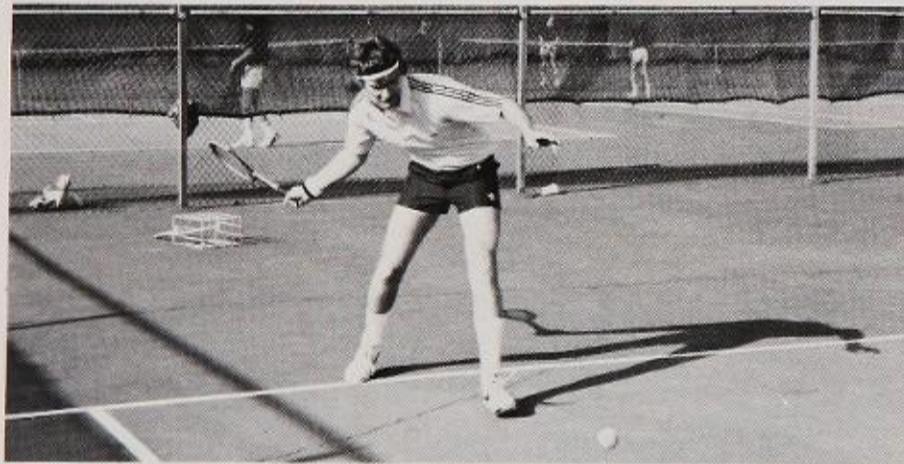

In the Niles West Invitational, the Huskies finished 3rd in a field of 10 teams, and in the Main West Quad they finished 2nd. In the conference meet, the Hersey Tennis Team finished 9th with everyone on the team winning at least one match, and most winning two or more.

Despite their record the players practiced with intensity and dedication under the leadership of Mr. Jorgensen in his first Varsity coaching season. One player who had a good season was sophomore Jay Woldenberg with an accumulative record of 12-6.

"The Best Of Times" Prom 1981

May 29th, 1980 marked the date of the 13th annual Junior-Senior Prom which was held at the Chateau Ritz of Niles. The dance began promptly at 7:00, and so did the fun.

The entertainment was provided by the band "Horizon," which played a good variety of songs. The theme song "The Best of Times" was also played and not one couple remained seated.

The highlight of the dance was the crowning of Kelly Werth as Prom Queen. Other members of the court were Rose Vazzano, Sue Coleman, Kerry Hogan and Caren Gauvreau.

Favors were given to all the couples attending the dance. The girls received tulip champagne glasses, while the boys received mugs, both bearing the school emblem on them. The evening, which was sponsored by the Junior class, was filled with joy and excitement, and it really was "The Best of Times."

'81 Grads Reach Out For The Future

On Monday, June 8, 1981, four hundred and twenty-five students proudly received their diplomas during the 12th annual commencement at John Hersey High School. The ceremony began as the students anxiously walked down the aisle to the traditional playing of "Pomp and Circumstance." The invocation was then read by Lisa Korbas.

The senior class president, Kelly Werth, gave her last statement to the class of '81, while Richard Bachhuber and Harold Best, both from the Board of Education, presented the diplomas.

Cheers of joy as well as sorrow filled the air as students pondered on their post years at Hersey High School.

The outstanding golfers this year were senior Jeff Kintzle, junior John Passaglia, and sophomore Howard Brown.

Howard Brown ended the season by qualifying for sectionals where he shot an 81. He also captured first place in the Lake Forest Sophomore Invite.

Jeff Kintzle and junior John Passaglia consistently averaged low 40's all season long.

Boys' Cross-Country Builds For Future

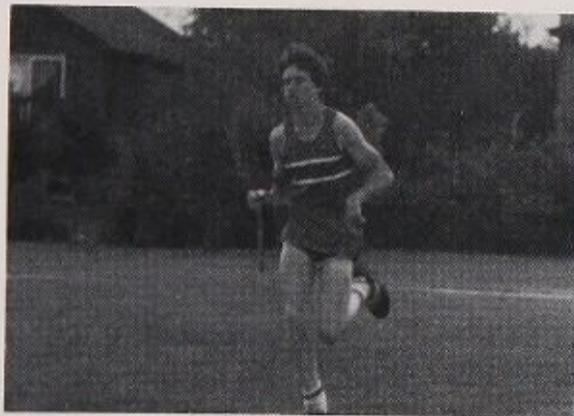

The 1981 boys' cross-country team worked uphill all season. After having their top five runners graduate last year and two key runners, Brian Oeltgen and Dale Pierce, injured this year, the team had a lot of rebuilding to do. The team finished with a 1-8 record on the season and 12th in the conference race.

The outstanding runners for the team this year were Brian Altmayer, senior, and Howard Kagay, sophomore. The M.V.P. award went to Altmayer who was also captain of the team. Coach Larry Travis brought up 4 sophomores in hopes of preparing them for seasons to come. The best meet for the team this year was the Mattoon Invitational where they finished 19th out of 32 teams.

Hard Work Pays Off For Girls X-Country!

"Running to one's fullest potential" was the goal of the 1981 Girls Cross Country Team.

Cross Country is an outdoor sport consisting of 2 mile races. Training begins in a summer cross country program and continues all through the fall season. Practices average 6 to 8 miles of running a day. The team is coached by Greg Fedyski, a Math teacher at MacArthur Jr. High School.

The season started off well by winning the J.V. Invitational, where freshman Maureen Lynch tied Maine West's school course record. Maureen was also chosen as Most Valuable Player of the team.

The team looked promising as the season began, but due to problems, only 11 girls remained in the end. They included 6 seniors, 2 juniors, 1 sophomore and 2 freshmen. Despite the small team, the Huskies pulled through with a 3-3 record.

Coach Fedyski noted how he enjoyed working with the girls this year, especially because of the team's positive attitude. He looks forward to an ambitious team next year.

Girls' Swimming Sends Two Downstate!

The 1981-82 Girls' Swim Team brought to life their goals for this year's season. Finishing with a record of 6-4 and sending four swimmers downstate made the season a successful one.

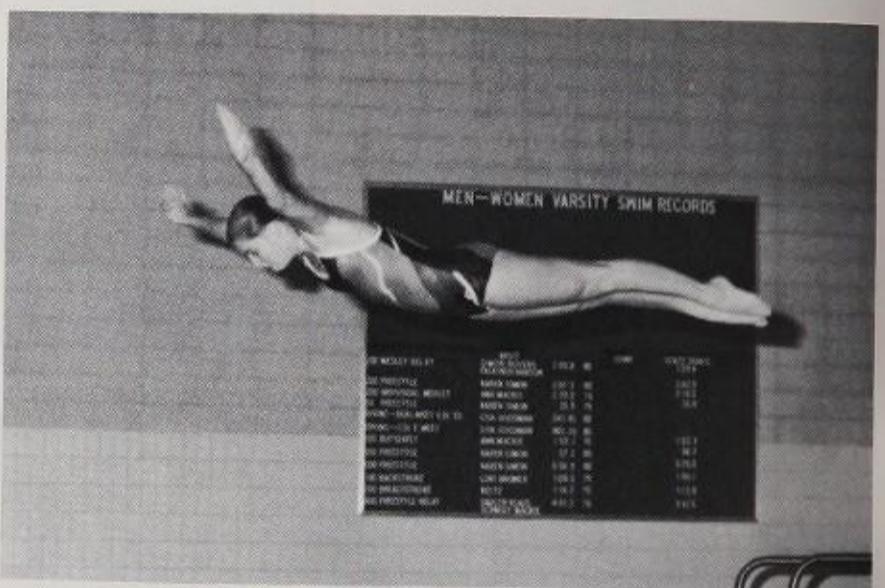

Senior Kelly Davis went downstate in the 100 yd. butterfly and Kristen Davis, a freshman, competed in the 50 yd. freestyle. The girls' medley relay, consisting of Kristen Davis, Jane Gotham, Kelly Davis, and Kelly Lynch, also qualified for the state meet. Their conference record was 3-3 with one of the high points of the season being a win over Fremd coming down to the last event. This year's Most Valuable Player award went to Kelly Davis and to Annette Kjeldbjerg went the Most Improved award.

The team put in hard workouts from 2:00 to 4:00 p.m. every afternoon and from 5:30 to 6:30 a.m. on Monday, Wednesday and Friday. The team was coached by Mr. Dan Young and Mr. Tim Kasper.

Huskies Display Unending Effort

This year's soccer team had a very exciting season, although their record of 2-18-1 may not show it. Coach Jasinski stated "Having four state-ranked teams in our conference made our schedule a tough one," but the Huskies never gave up. Many of the games went down to the wire, two of which went into overtime, and were lost by only one goal.

For the second year in a row, the Huskies won a post-season game by beating Loyola in the first round of their state playoff games. They scored on two penalty kicks by Bob Tsitsos and a goal by Reyan Kadiroff to beat the Ramblers by a score of 3-0. The Huskies ended their season by losing an exciting and hard fought game to 2nd ranked Glenbrook North in the second round of the state playoffs.

The team had several talented players. Two of them, Felix Bachmeier and Joe Cappucitti, were named All-Conference players. According to Coach Jasinski, all the guys were hardworking and had the best record of attendance at their practices in all the years that he's been coaching soccer at Hersey.

Cheerleaders Keep Team's Spirit Up

The cheerleaders for the 1981 Varsity Soccer Team once again did an outstanding job. They kept the team's spirit going throughout the entire season by doing much more than cheering at every game. They psyched up the players before important games by baking for them and by decorating their houses.

The squad elected Jennie Eck as captain and Laurie Huntzinger as co-captain. The rest of the squad Lisa Campobasso, Anna Liebig, Cindy Link, Deanne Pruyn, Dawn Scharf, and Pam Toborg cooperated well with their captains. With the help of their sponsor Mrs. Spenks, they made up one of the most enthusiastic squads in the history of Hersey Soccer.

Football Shows Strength In 6-3 Season

The 1981 Hersey football team, coached by Joe Gliwa, had a rough 6-3 season which was good enough for second in the MSL North. Only two very close losses kept them from the playoffs. One loss was to Wheeling in an offensive showdown 39-33 and the other to Fremd in a 19-16 overtime game. The Huskies led the league in scoring with 21.8 points per game. "We had a very explosive offensive team", stated Coach Gliwa.

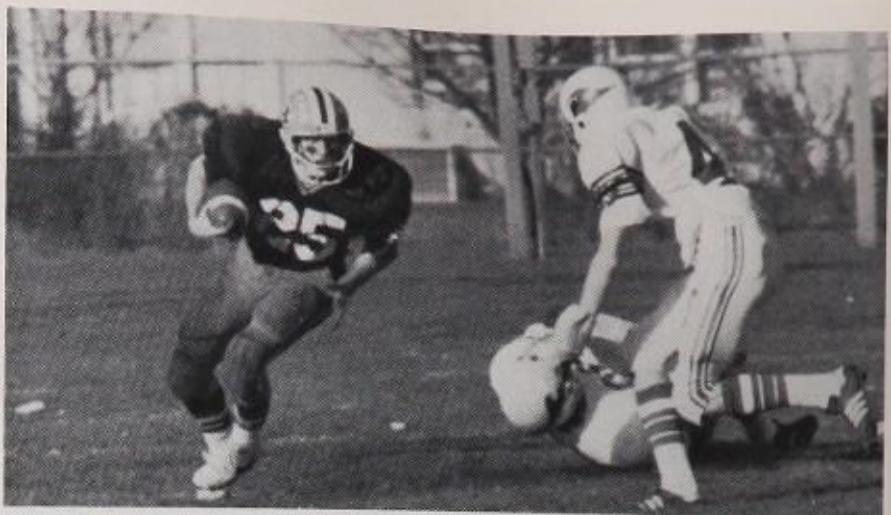

Hersey sent four players to the All-Conference team. They were Dave Koziol, Jim Mueller, Bob Connor and Jim Limperis. Jim Limperis was voted by his teammates as the M.V.P. and was also selected for the All-Area team. Mark Kovack was voted the Most Improved Player.

This season was marred by the death of a starting linebacker, Kurt Thyreen. He was a great athlete and scholar. The feelings of the team were best summed up by Coach Joe Gliwa when he said, "Kurt is now playing for a new team and a new coach." Kurt will be remembered by all.

Cheerleaders' Pep Drives Teams To Victories!

The 1981 football cheerleaders showed fans their enthusiasm, skill and determination in cheering the teams on. They kept the crowds going even when the Huskies were behind. The cheerleaders and Fall Club practiced hard, working on cheers, lifts and mounts. Much of their success goes to their sponsors, Mr. R.J. Hannon and Mrs. Bridget Lucas. They helped them with ideas and brought all four squads together.

Some activities the cheerleaders participated in during Homecoming Week were decorating the football players' houses the night before the big game, selling mums and sponsoring an alumni reunion for the former cheerleaders on Friday. The only male cheerleading squad of the Mid-Suburban Conference, Fall Club had its fourth consecutive year, and year after year they continue to prove themselves outstanding.

Lea Newren, captain of the varsity squad, worked with Fall Club captain Doug Swanson for a great season. The junior varsity co-captains were Chris Michaels and Lisa Nakamura. The captain of the sophomore squad was Becky Schram and the freshman captain was Jami Drake.

Coronation '81 Filled with Magical Moments

The 1981 Coronation ceremony, held on Thursday, October 23, in the gymnasium, added a spark of excitement to Homecoming Week. The highlight of the ceremony was the crowning of Doug Swanson and Barbara Rosinski as the 1981 Homecoming King and Queen.

The Queen's Court consisted of Carrie Costello, Maureen Druffel, Lea Newren, Carolyn Pasterski and Colleen Sweeney. The King's Court consisted of Dave Adelman, Tony Frankiewicz, John Griffin, Dave Koziol and Joe Nicastro.

The Masters of Ceremony for the afternoon were Licia O'Neil and Al Kastner. The Freshman, Sophomore and Junior class attendants were Jill Erickson, Sue Jacob and Libby Meier.

The entertainment for the ceremony was provided by "On Stage". Their first performance of the year included, "Let the Sunshine In", and "I Got the Music in Me", which captivated the audience.

Much appreciation should go to the Senior class Student Council and sponsor, Mr. Henry Blim, for their hard work in designing the best decorations and stage ever. The spectacular castle really set the mood for the touching ceremony.

The 1981 Coronation ceremony will certainly leave behind some magical memories with all those who attended.

All it takes is a little "Homecoming Magic" to bring out the spirit in everyone. Homecoming '81 was certainly no exception.

The week started off with an assembly on Monday to present the court and announce the weeks events. After school all the clubs went to work and decorated the halls. This was the first year that most of the decorations stayed up until Friday. Because they looked so great, no one wanted to tear them down.

Tuesday was Class Dress-Up Day. The Freshmen wore hats and ties. Sophomores dressed western while the Juniors wore togas. Seniors showed their class spirit by wearing sweats, sunglasses and bandanas.

By Wednesday, Homecoming Week was in full swing! The color-coded balloon messages were distributed and students could cast their vote for King and Queen. The evening was filled with games and activities, too. Almost Anything Goes and the Powderpuff soccer games really proved exciting.

Thursday was Coronation and it was definitely a huge success! The gym was decorated beautifully and the ceremony was lovely. Thursday was also Punk and Preppy Day and everyone who participated had a great time dressing up.

Friday was loaded with events! At the pep assembly, the contest results from the week were announced and prizes given out. Gary Pratt received a Pampers diaper for his first place finish in the football player's Babyface Voting Contest. Tony Frankiewicz received a pink fluffy garter for being the soccer player with the best "Prince Charming" legs. The excitement really peaked when Sara Vazzano got a pie in her face for being the class president with the most money votes. Tom Bieschke concluded the pep assembly by firing up the crowd and football players before the car rally. This year the parade was bigger than ever and all who participated had a riot! Although the football team had a heart-breaking overtime loss Friday night, the team really put forth an outstanding effort.

Saturday concluded the successful week with the Homecoming Dance, sponsored by the Varsity Club. All who attended had quite a memorable experience.

Couples Share Magical Moments At 14th Annual Homecoming Dance

To top off an event filled week, the 14th annual Homecoming Dance was held on Saturday, October 24, 1981. The dance, sponsored by the Varsity Club, proved to be very successful.

Queen Barbara Rosinski and King Doug Swanson were introduced for their traditional dance and were soon joined on the dance floor by the rest of the court. The 1981 Homecoming Court included Princesses Carrie Costello, Maureen Druffel, Lea Newren, Carolyn Pasterski, and Colleen Sweeney, and Princes Dave Adelman, Tony Frankiewicz, John Griffin, Dave Koziol, and Joe Nicastro.

Reflecting the Magical Homecoming theme was a storybook castle designed and constructed by the Senior Class Student Council. Not only did this castle create a romantic atmosphere in the gym, but it also served as a magical stage for the band.

Throughout the evening couples danced to the music provided by the band "Chaos". During an occasional break from the dance floor, many couples enjoyed a snack from the refreshment table.

One-Act-Plays Hit Off Season

A quaint bedroom setting and a darkened living room set the stage for this year's one-act comedies held on November 5, 6, and 7 in the Hersey theatre. Both plays were directed by Mr. Bruce Drouin.

The first play, **A Visitor From Forest Hills**, was a Neil Simon comedy. Lisa Young (Mimsey) was the unfortunate victim of pre-marital jitters locked in a hotel bathroom. Gwyn Junkel and Eric Olsen play Norma and Roy Hubley, Mimsey's frantic parents, and Marc Lasko plays the husband-to-be.

The second play, **Black Comedy**, is a slapstick that revolves around a blackout in London. Herb Washer plays Brindsley, a poor artist, Carrie Costello plays Carol, his fiance; and Glen Heyroth plays the Colonel, Carol's father. Fine performances were also given by John Novak (Harold Goring), Heather Kinney (Clea), Jerry Kernion (Schuppanzigh), and Hannes Danner (George Bamberger).

Contributing to the production were Mr. Edward Moon, Technical Director; Liz Bartlow, Assistant to the Director; and Mrs. Dolores Lindgren, Business Manager.

The creative set construction added to the comedy's success and showed a great deal of time and effort. All of the students should be recognized for their outstanding performance.

Girls' Tennis Sends O'Neil Downstate

The 1981 Girls' Tennis Team, consisting of 4 seniors and 7 juniors, struggled through the season with an 8-12 record. Coach Nancy Holmgren commented that the 7 juniors played most of their season under pressure because they were not use to the tough competition. Many girls were also put in positions they were inexperienced in, but none-theless each gave 100% at each match. Coach Holmgren also added that much was learned during the season and the girls were a fun group to work with.

Two standouts on the team were Licia O'Neil at 1st singles, and Michelle De Latour at 3rd singles. Each girl had a 10-8 record for the season. Licia fought her way to state. There she won her 1st match, but after her next two grueling games she lost to a girl seeded in the top sixteen. Michelle volleyed her way to a victory for her 1st match in conference, but then lost to her next opponent.

All in all, the team had a rewarding season. Coach Holmgren is optimistic, and is already predicting a good and skillful season for 1982.

Girls' Volleyball Plays Tough!

The 1981 Varsity Volleyball Team, coached by Miss Betsy Betker, experienced a learning year for both team and coach.

Through four tournaments and season of hard work, the team finished with a 3-15 game record.

"The team's best game," said Coach Betker, "was in the middle of the season against Wheeling at the annual Hersey tournament, where Hersey finished 4th."

Coach Betker enjoyed working with the team this year and commented that the players had the following strong points: senior Kim Bell, best blocks; junior Captain Sally Ferguson, best sets; senior Captain Suzie Hill, best spikes; senior Nancy Keliher, toughest serve; senior Lea Newren, most consistent serve; senior Carolyn Pasterski, best "dink"; junior Dawn Schroeder, best hustle; senior Kim Stanton, best service reception; junior Julia Toba, most controlled "bump."

Junior Varsity, coached by Mrs. Cindy Manning, finished 2nd in Conference with a 12-4 record. Freshmen, coached by Miss Teri Swanson, finished first in Conference with a 12-3 record.

'Madwoman Of Chaillot' Is A Success!

The John Hersey High School Theatre presented "The Madwoman of Chaillot" on February 18, 19 and 20. This fine play, written by Jean Giraudoux, was well received by Hersey audiences.

Thirty-two talented Hersey students made this fine production possible. Each student gave an excellent performance. Among the fine performers was Liz Bartlow, portraying Countess Aurelia, The Madwoman of Chaillot. Other prominent members of the cast were Joe Nicastro, the Ragpicker; Mathew Carlson, the character Pierre; Jane Rossi and Deena Krumdick, as Irma; Jerry Kernion as the President and Cheryl Golemo, Gwen Junkel, Angela Pionke and Tami Zuck as the other Madwomen.

A special appearance was made by Manuel Gomez, AFS exchange student from Portugal. Also appearing were Ron Jiu and Mitch Levy, two deaf education students.

The play was directed by Mr. Bruce Drouin. He was assisted by Adrienne-Rae Farnaus, a Hersey graduate. The technical director was Mr. Ed Moon, and the business manager was Mrs. Dolores Lingren. Handling all stage responsibilities was stage manager Jim Fulton.

"Turn Your Love Around" At Turnabout

The Class of 1982 Student Council sponsored this year's Winterball Turnabout Dance on Saturday, February 13 in the cafeteria. The Valentine's Day decorations went along well with this year's theme "Turn Your Love Around." The band "Chariot" kept everyone dancing from 8:00 till 11:00.

The student body voted earlier in the week for the Turnabout Court. Al Kastner was crowned king by Maureen Druffel and Rhonda Forlaw. Grant Fuchs, John Novak, Dan Sramek, Jerry Stopper, and Todd Younger were also on court.

The music, decorations, and the romantic atmosphere made for an exciting evening. After the dance, most couples completed the evening by going out to a nice restaurant. Special thanks to Mr. Blim and the Senior Class for making this a night to remember.

Winter Activities Warm Up Hersey Students

Although this winter was one of the coldest in the history of the Chicago area, with 80 degrees below zero temperatures (with the wind chill), students kept their minds off the harsh weather by participating in extracurricular activities. Some of these included wrestling, basketball, gymnastics, swimming, bowling, the play, and Turnabout.

The Christmas assembly got everyone into the holiday spirit. Groups such as Orchesis, Pomberets, Student Council, AFS, and On Stage entertained the crowd. Some of the teachers showed off their talents by singing in the choir.

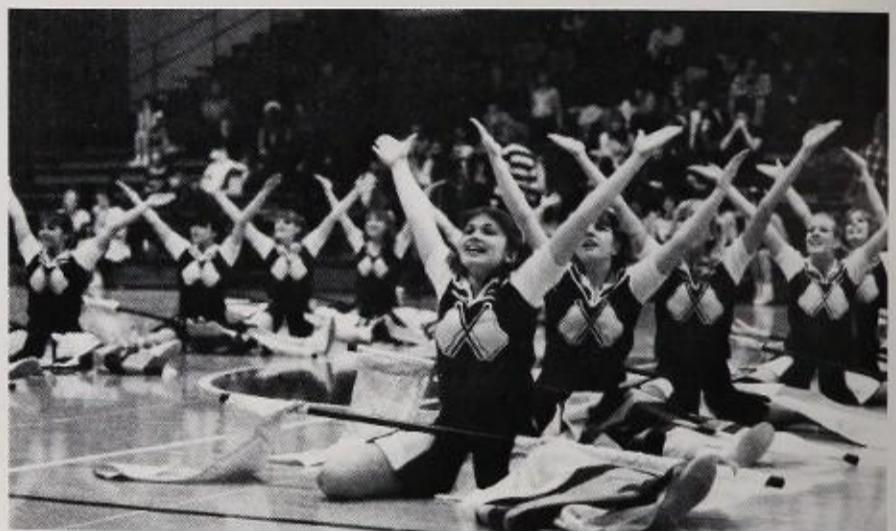

The halls were filled with red, pink, and white balloons to celebrate Valentines Day. Students sent them to their lucky valentines. This was sponsored by Student Council and was a huge success.

Boys' Swimming Concentrates On Improvement

This years' Boys Swimming team began their season with concentration on their goals of individual improvement and achievement. The team's overall record was 2 wins and 11 losses and finished with a conference record of 1 and 6 with a 10th place finish at the conference meet.

Juniors Steve LaBeau and Ron McPheron placed in the top twelve in two events at the conference meet, while helping grab a 5th place in the free relay. The closest meet of the season came to a disappointing loss to Buffalo Grove with a score of 83-82.

This years M.V.P. was Steve LaBeau. The Most Improved Player award went to two strong individuals, Junior Jim Baratta and Sophomore Chuck Moehling. The team practices were held from 2:00 to 4:00 Monday thru Friday and in the mornings from 5:30 to 6:45 a.m. on Monday, Wednesday and Friday.

Girls Gymnastics Team Captures 2nd In State

Wendy Specht Wins All-Around State Championship!

"This is it" was an appropriate motto for the 1981-82 Girls Gymnastics Team. Coached by Linda Feiza, Cindy Manning, and Holly Wright, the team proved to be outstanding throughout the entire season, and they ultimately placed 2nd in the state. The undefeated record of 9-0 reflected the success each girl strived to achieve. First place in Conference, Districts, and Sectionals was seized by the Huskies.

Captains Wendy Specht and Joan Spiel paced the way for the winning trend. Junior Wendy Specht's electrifying performances enabled her to become the 1982 All-Around State Champion. In the state meet, she finished 1st on floor exercise, 4th on bars, and 6th in vault. In addition, she helped the team by acquiring high scores and by taking 1st on floor in Conference, 3rd in all-around in Districts, and 2nd on floor and in all-around during Sectionals.

Senior Joan Spiel added to the team's success. In Conference, she took 2nd on floor and in Districts she obtained 5th in all-around. In Sectionals she attained 3rd place on beam.

Other state competitors were Sue Carey, Sue Konrad, Jackie Purcell, and Becky Schram. Coaches noted sophomores Becky Schram and Sue Konrad as the most improved gymnasts. Alternate gymnasts were Janene Richardson, Cindy Anderson, and Mary Munro.

Both the Freshman and Junior Varsity teams were undefeated and also won the Conference title. This definitely indicates a promising future for the upcoming varsity teams.

Coach Feiza commented, "During practices, almost everyone had the aches and pains, but when meets arrived, everyone performed to their best ability." The overwhelming support from the student body was greatly appreciated by both coaches and the team.

The coaches would like to express their gratitude to all the members, especially the seniors, who showed perseverance by being a member of the team for four years.

Huskies Keep Spirit Up Through Tough Season

The 1981-82 Varsity Basketball Team, coached by John Lucas and Barry Elison, went against very tough competition this season, including two conference opponents that later qualified for State Supersectionals. The Huskies finished eleventh in the MSL Conference with four wins and ten losses.

Their record doesn't really reflect how the boys played. The Huskies displayed good talent and never gave up. They always came back strong in the second half and put up a good fight till the final buzzer. Several of their losses were lost by only a few points.

The highlight of the season came when Hersey won the Glenbrook South Thanksgiving Tournament. The Huskies started the tournament by defeating Glenbrook South. They lost the next game to Stevenson but came back strong to beat Deerfield and win the tournament. The Huskies improved their record by winning both of their cross-over games against Conant and Rolling Meadows.

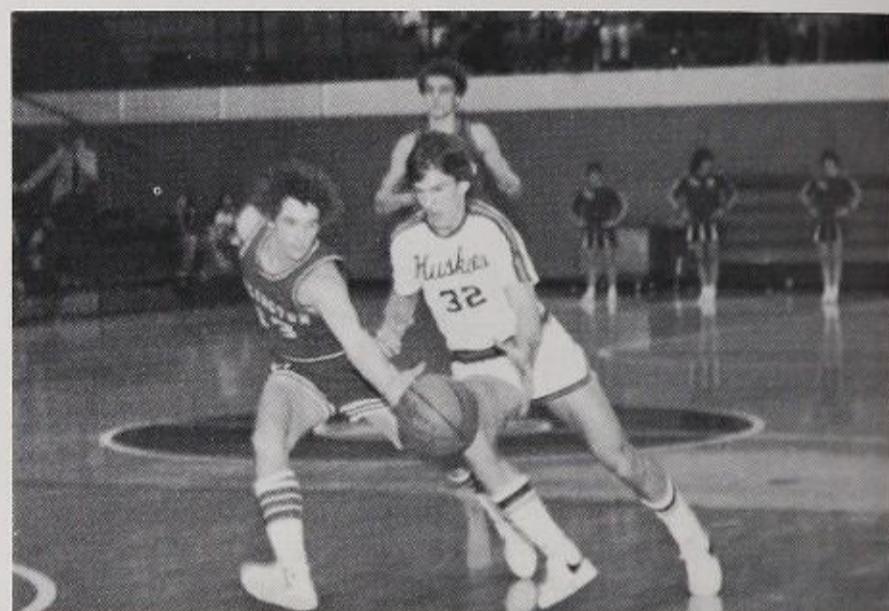

The team was led by seniors Dan Boyan, Dave Koziol, John Lisafeld, John Novak, and Dean Quarino. The team elected Dean Quarino as the Most Valuable Player and John Lisafeld as the Most Improved Player. John Novak, who led the league in free-throw accuracy with 91.4%, became the first player to receive the Jim Thomas Sportmanship Award. This award is given to the senior member of the team who displays good sportmanship, gives support to his teammates, and is a good representative of the school.

The Huskies ended their season in the first round of the state playoffs by losing a close and hard-fought game to St. Viator. As Coach Lucas looked back on the season, he was pleased with how well the boys played together and the fact that they never gave up.

Cheerleaders Inspire Basketball Teams

Once again, this year's 1981-82 Boy's Basketball Cheerleaders had a lot of pep and enthusiasm. Each squad led cheers to spark their teams to victory. The squads had practice every Wednesday night for two hours. The varsity cheerleaders, along with the Fall Club, learned new mounts and lifts from Mr. Hannon and alumni cheerleaders. These tricks were done over and over until they were ready to be performed at games.

This year's varsity squad was led by co-captains Sue Sobeski and Randy Evans. The captain of the sophomore squad was Ginger Wendt, and the captain of the freshman squad was Cathy Soyka. Working with all of these squads were sponsors Mr. R.J. Hannon and Mrs. Bridget Lucas. All squads did an excellent job cheering at games and pep assemblies.

Girls' Basketball Team Shows Pride And Spirit

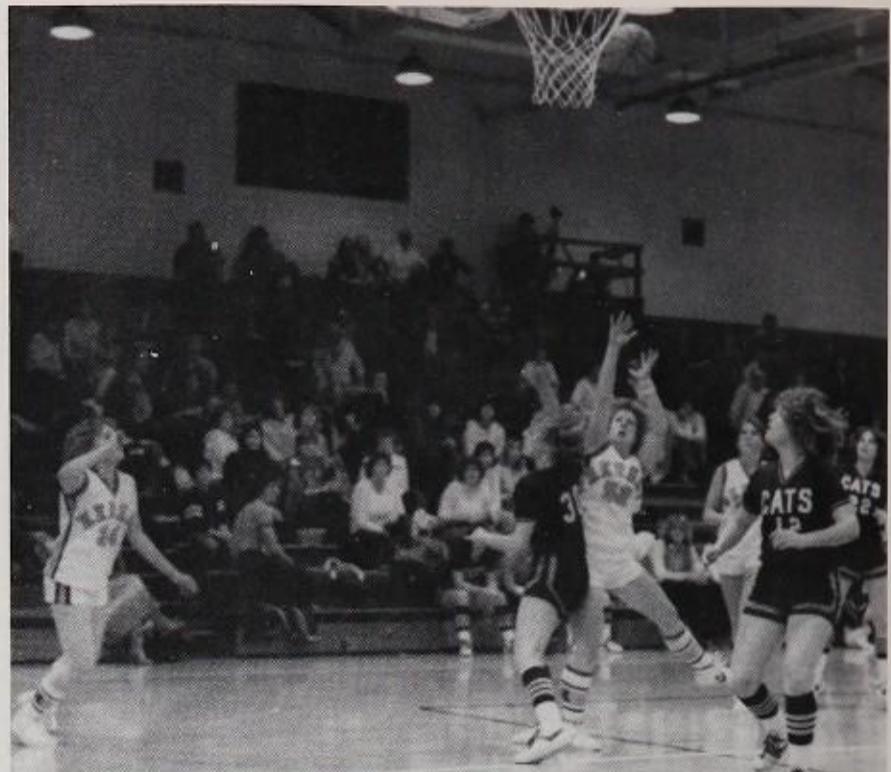

The 1981-82 Girls' Basketball Team displayed much enthusiasm and confidence throughout the entire season. Although their conference record was only 4-8, the team's attitude did not reflect it. Coach Tuttle said that the team never gave up, and even after a tough loss they came back fighting. Their attitude was very positive and competitive. There were about 7 or 8 games that they lost by a slim margin of 2 points.

One of the most exciting games was played against Palatine when the Huskies battled it out in overtime and won by 9 points. Also, an action packed game was played against Lemont where the Huskies lost by a mere point! Coach Tuttle was very proud of his team when they overpowered Buffalo Grove by one point.

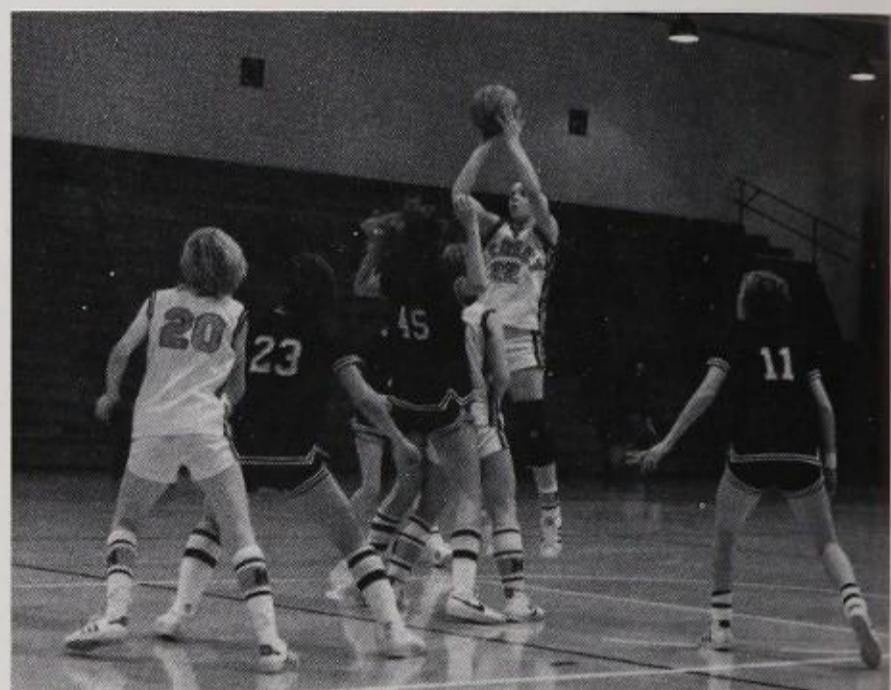

Voted Most Valuable Player was Carolyn Pasterski. She was also voted All-Conference Player and averaged 13 points per game. Junior Michele Mueller was one of the most improved players since she developed her skills 100%. Also, Senior Sheryl Dreher was also a Most Improved Player because of her dedication at both practices and games. Her enthusiasm was outstanding.

Some of Coach Tuttle's goals for next year's team are to improve the conference record, to shoot for a .500 season, and to create more offensive production. Coach Tuttle looks forward to a new start with a fairly young team next year.

Bowlers "Strike" At Districts

Hersey's Girl's Bowling Team displayed talent and determination throughout the 1981-82 season.

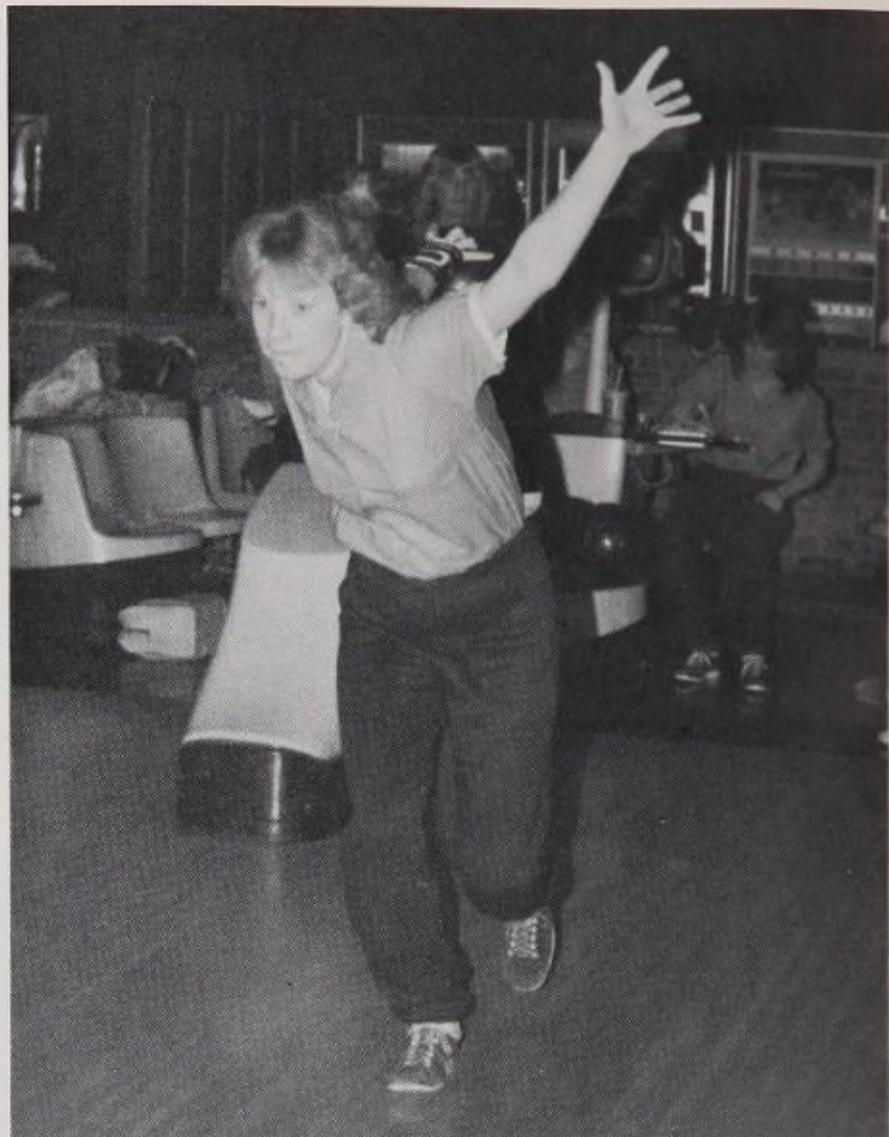

The girls finished off the season by bowling their best match and taking second place in districts. Junior Kim Larsen qualified for the state meet, the first bowler to do so in Hersey's history.

Gloria Gieske's average of 152 was the highest on the varsity team, followed by Kim Westra and Kim Larsen with averages of 151 and 147, respectively. Mary Connor had the high game with a score of 213. The most improved bowler was Kendall Petty, who ended the season with a 117 average.

Practices were held Tuesdays and Thursdays at Thunderbird Lanes in Mount Prospect, with games on Mondays and Fridays.

With all varsity bowlers returning to Hersey next year, Coach Walt Jasinski is looking forward to an exciting, successful season to come. Good luck girls!

Wrestlers Takes Control!

Watters Wrestles His Way Downstate

The 1981-82 Wrestling Huskies battled their way through another challenging season. The Huskies ended their season with a dual record of 7-8-2.

The most exciting, as well as the most important meet of the season, was against Palatine here in the Huskie gymnasium. Both teams walked onto the mats undefeated in conference. It was a grueling battle to the finish. Both schools realized that the winning team would leave the Hersey gym — North Division Champs! It was an unforgettable meet. Unfortunately, Palatine won by a slight margin, causing the Huskies to end their season with an outstanding conference record of 5-1.

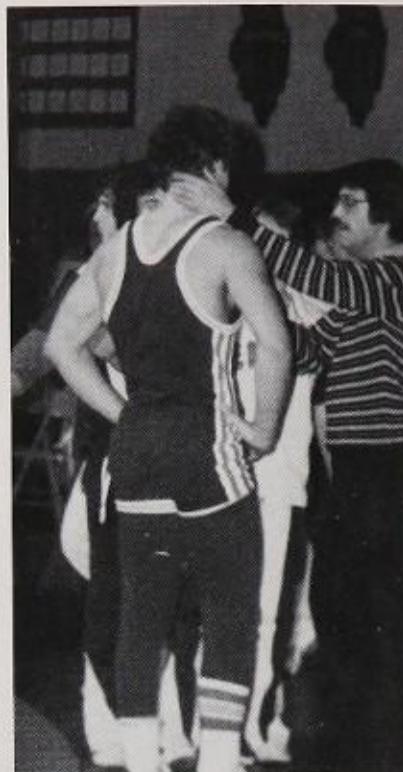

The Conference meet was the next step for the Huskies. Exceptional performances were given by 2nd place finisher Brian Petersen, 3rd place finisher Bob Watters, and 4th place finishers Denis Crevis, Ron Pontious, and Jim Wilcox. Following Conference was the District meet held at Deerfield High School. Tom Bieschke and Bob Watters were champions in their weight classes. Sam Cohen and Pete Youngwerth fought their way to a third place title, which advanced all four of these wrestlers to Sectionals.

Sectionals proved to be very rewarding for Bob Watters. He proudly received a third place medal which qualified him to compete in the state meet.

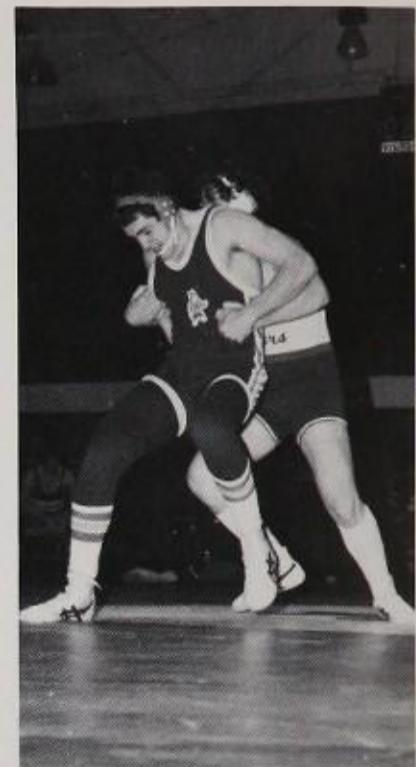

Top talents throughout the season were shown by Senior Captain Tom Bieschke, Senior Ron Pontious, and Juniors Brian Petersen and Bob Watters. Other Seniors this year included Denis Crevis, Sam Cohen, Tony McPartlin, Vince Nuccio, Mike Stark, and Pete Youngwerth.

This year's team was directed by Coach Rick Mann. Mr. Mann feels there is a lot of J.V. talent moving up to Varsity next year; therefore, he is looking forward to another challenging season.

Mindy Carlson and Laurie Huntzinger deeply concentrate on the match.

The 1982 Wrestling Cheerleaders added enthusiasm to every meet. To be a good wrestling cheerleader requires a lot of time and hard work. They practiced about four hours a week. The most important quality a wrestling cheerleader must have is knowledge of the sport. They must also have plenty of spirit and encouragement.

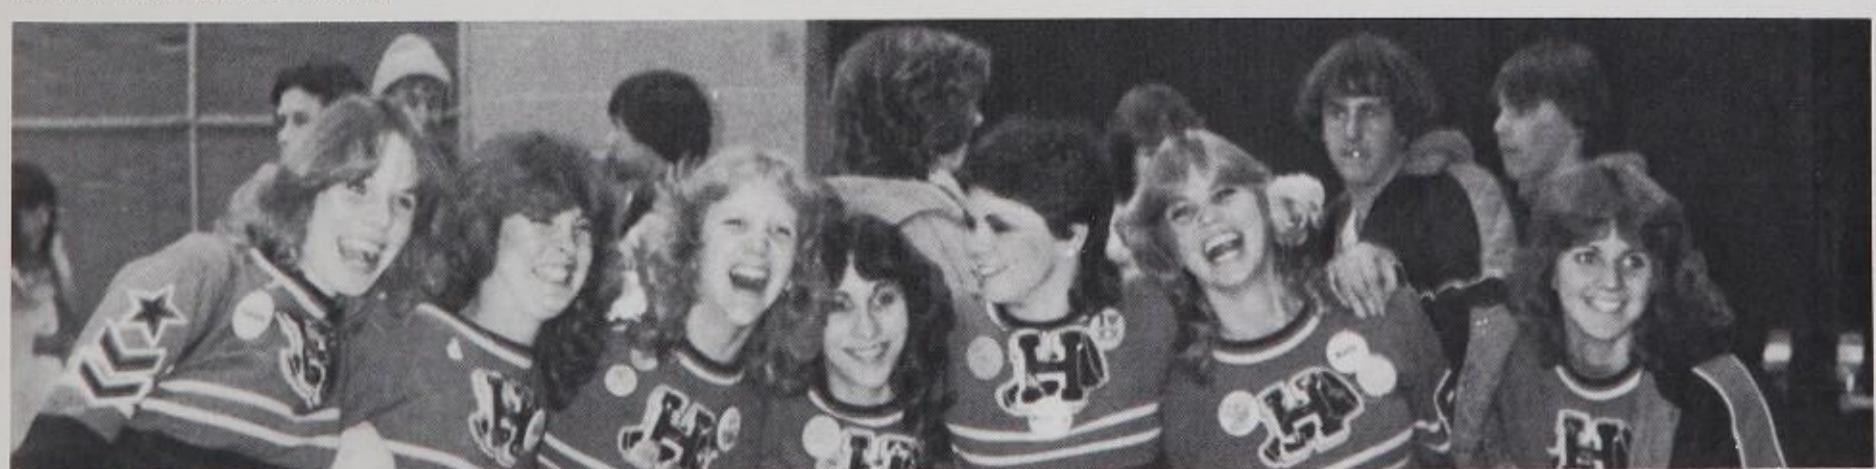

The sponsor for the wrestling cheerleaders was Mrs. Balinski, who was very pleased with the girls' overall effort. The captain this year was Laurie Huntzinger, assisted by co-captain Kelli Lange.

The cheerleaders felt all their effort and hard work was well worth it and greatly appreciated by the wrestling team.

“Lights, Camera, Dance!”

The 1982 Orchesis Show entitled “Lights, Camera, Dance!,” held on March 18, 19, 20, was once again a success. The dance styles ranged from ballets, to modern, to jazz, while the music ranged from ballads, to punk, to European beat.

Choreographing was done by the Orchesis members themselves, with the help of Sponsor Holly Wright. Auditions for the show were held after Christmas, and rehearsals for the dances chosen began in January. Orchesis performed twenty dances in all, making it one of the best shows ever! Besides performing the annual show, Orchesis contributed a great deal to the halftime shows of both football and basketball. They also showed constant spirit throughout the year by getting involved in many activities such as Homecoming Week.

Special tribute is given to senior Joe Nicastro, who has been the only male ever to be a member of Orchesis. He is a two-year member, and is currently Vice-President of the club. The other officers are President-Lisa Young, Treasurer/Sr. Rep.-Noreen Marusak, Wardrobe Coordinator/Jr. Rep.-Eve Schmall, and Secretary/Soph. Rep. Lisa Puzzo. Orchesis has really a lot to the school this year, their efforts were greatly appreciated.

The Pomberets continued their tradition of crowd pleasing performances during football and basketball halftimes this year. Along with the band, they prepared two different football halftime shows. Featured in one show was a pom pon and flag exchange between the Pomberets and Color Guard. During the basketball season, the Pomberets performed five routines at home games and also had an exchange with the Palatine Pirateers in which Palatine's girls performed for a Hersey halftime and our girls performed for a Palatine halftime, where they received a standing ovation.

This year was the first time Pomberets entered into Illinois Drill Team Association competition. They received two trophies: first place in an eight minute show at Stillman Valley, and at Palatine they got first place for inspection and third place in the eight minute show. Senior captain Stefanie Boll and junior captain Lynette Krzeminski felt that lots of individual improvement was the key to their success.

Next year the Pomberets should have a strong squad due to the number of sophomores returning to put in all their talent and dedication. The squad was co-sponsored by Mr. Hetzel and Mrs. Wright.

Band Has 'Geevum' Spirit!

The pride of Illinois, John Hersey's fine band organization, once again delighted area music lovers during the 1981-82 school year. The long competitive year began in the summer and was especially tough on the freshman.

Summer band was an experience most freshman disliked. For the first week, the freshman had practice for four hours a day under the grueling July sun. Basic skills and marching manuevers were drilled to perfection. For the next ten weeks, the entire band met for ten hours a week to practice their shows for the fall. For the first time the band learned two shows.

The band began their season in the fall and performed during half-time of home football games. Pomberets, Colorguard and the Twirlers added color and variety to the shows. The band competed at U of I and the Northwestern Parade. They also performed at the Octoberfest.

After football season, the band broke into two groups, Symphonic Winds and Concert Band. They performed with Peter Nero at the Pops Concert last March. Poms, flags and twirlers also performed.

Mr. Zubler directed the band this year. His assistant in directing was Mike Hetzel. The drum majors this year were Rick Fritch and Dan Gauper.

The Hersey band had a very successful year. They have gained respect from musicians all over the country.

Choirs And On-Stage Sing The Year Away

The Hersey choir and On-Stage members are known as talented, hardworking individuals. The members are extremely dedicated to their work.

Some of the years activities included participating in competitions. The Treble Choir competed at the Choir Festival, held at Six Flags, St. Louis, Missouri. The solos and ensembles competed at the IHSA competitions. Earlier this year, students auditioned for the IMFA and seventeen members made the District Chorus.

Individual honors were given to choir members during the school year. Doug Swanson, an outstanding talent, made the All State Choir.

Choir and On-Stage members strive to develop a good voice and further their interest in working with groups and ensembles. The outcome of their efforts is the poise and stage performance skill that each person masters.

One of the differences between On-Stage and choir is that On-Stage uses movement to help enhance their performances. On-Stage performers also acquire the experience and ability to sing and dance on different types of stage settings. Of the choirs at Hersey, On-Stage is the most prestigious.

The choirs of Hersey High School are dedicated to the growth of vocal talents along with competitive recognition.

Yearbook Reflects Images Of '82

The 1981-82 yearbook staff strived to make this year's Endeavor the best ever! Editor-in-chief, Maureen Druffel and her staff of thirty-three worked long, hard hours to put together an accurate history of this school year. Each staff member put forth their best effort. The Editorial Staff consisted of Mary Stanaszek, Copy Editor; Aubrey Piech, Index Editor; Pam Lemke, Senior Directory Editor; Debi Drake, Academic and Faculty Editor; Bill Oakley, Boys Sports Editor; Joanne Griffin, Girls Sports Editor; Colleen Sweeney, Activities Editor; Tony Frankiewicz, Clubs Editor; and Alison Barkow, Classes Editor. The principal photographers were Sue Carey, Jorn Focken, and John Karavidas.

Yearbook class is divided into two semesters, Publications I-II. During the first nine weeks, all effort is directed toward learning the basic principles of yearbook journalism. Then, second and third quarters are dedicated to putting together the yearbook. After the yearbook is completed in April, students spend their time doing research on various topics in journalism. Not only is Publications a class, it is also considered a club that involves much team work and responsibility.

We would like to give a special thank-you to our advisor, Mr. Kozanecki, for putting up with us throughout the year. Without his patience and organization, this yearbook would not have been possible. Thanks Koz!!!

“Correspondent” Tells It Like It Is!

The Correspondent, Hersey's award winning newspaper, does an excellent job of keeping students informed on major events. The hard working staff of 45 students, most of whom are from journalism classes, has managed to publish the Correspondent twice a month throughout the 1981-82 school year.

Hersey is the only school in the district and one of the few in the state that does all its own work, except for the actual printing of the paper. This takes much time and effort. Every other Sunday the staff spends from 8-10 hours working on the layout.

The stories that appear in the Correspondent are written by students in journalism classes. As a part of class, these students also do work on the layout and advertising for the paper.

With the help of advisors Mr. McDonell and Mr. Wilson, this year's Correspondent staff did a great job of keeping Hersey's student body informed.

Student Council Strives To Promote Spirit

Student Council is one of the main organizations in the school. It is made up of approximately twenty representatives from each class. Student Council has many goals. They help to improve student participation and school spirit, as well as to keep communication lines open between students and the district administration. Some traditional activities Student Council sponsors include Grass Day, organizing the Homecoming Activities, the Christmas Assembly, Penny Days to support the orphans, and various service projects throughout the year. New this year, was the sending of balloons during Homecoming week. It proved to be very successful and was enjoyed by many students. Coronation also went over very well.

The four officers this year are Dave Adelman, Tracy McAllister, Monica Wendell, and Libby Meier. These four students, along with the committee chairmen, make up the Executive Board. Their basic purpose is to discuss new ideas and decide whether Student Council should consider them or not.

The underclass councils are very promising; consequently, Hersey has applied to host the State Convention in the years to come. Student Council's hard work and enthusiasm has helped in making this year's council very successful.

N.H.S. Helps Others

The National Honor Society has proven to be an important club at John Hersey High School. The members have concentrated their efforts on helping others.

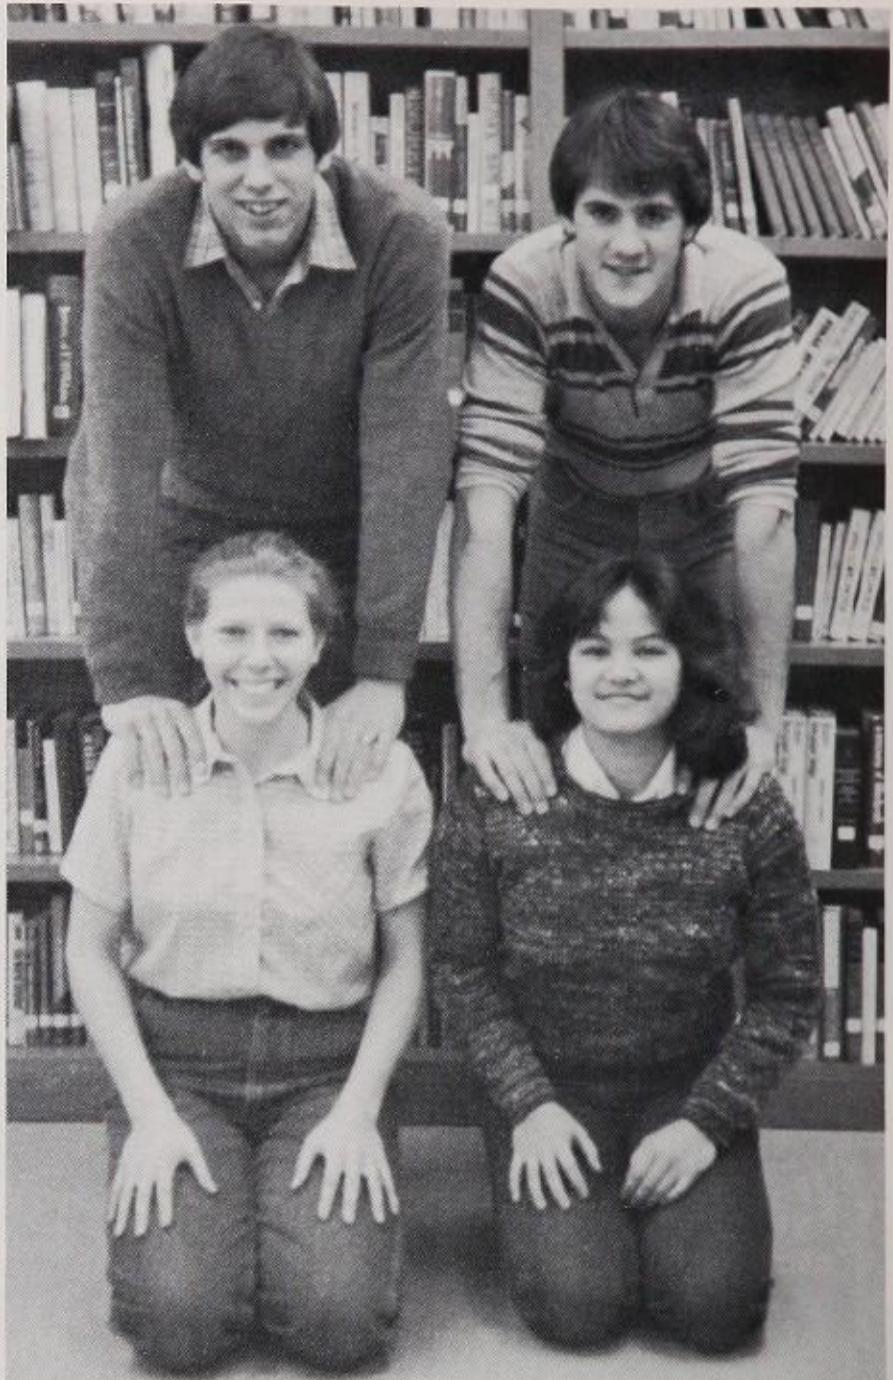

To become a member of the N.H.S. a grade point average of 4.5 must be maintained. Members are required to participate in 3 out of 6 activities throughout the year.

This year the Honor Society has completed many outstanding community services. Members have participated in the annual Blood Drive, Parent-Teacher conferences and have visited children in various local hospitals.

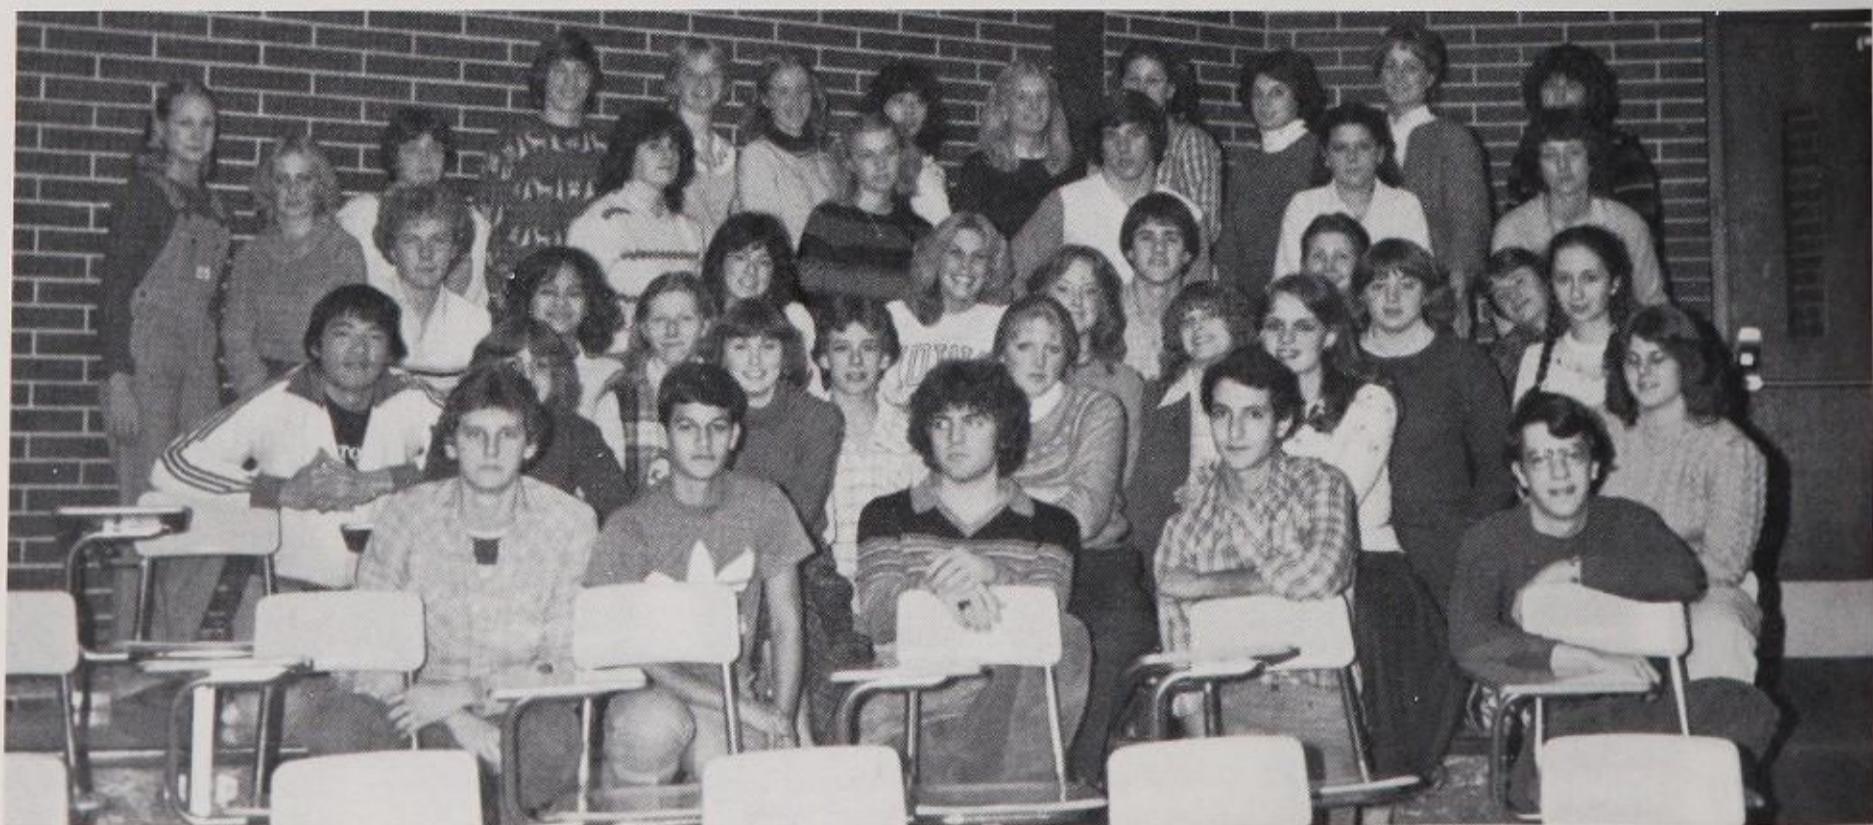

Mr. Haskell Brown and Mr. John Boehm are sponsors for the Honor Society.

Student involvement is excellent and N.H.S. has again turned out a productive year.

They also participated in the District 214 Invitational and the Illinois Speech and Theatre State Debate Invitational.

The debators had a slow start, but they improved with practice and the experience they gained in the tournaments. By the middle of the season they were doing a great job.

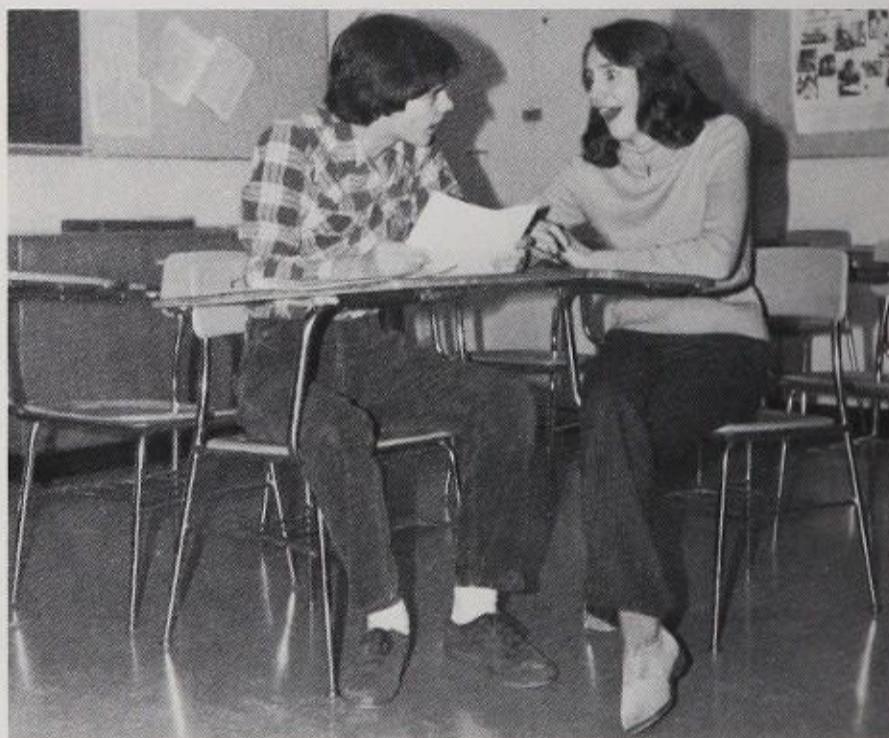

This year's new topic was on improving education in elementary and secondary schools. Each debator did research on information for against the subject.

Two outstanding debators on the team this year were Chris Soyka and Liz Bartlow. Coach McSherry and assistant coach, Mr. Given, did a fine job with their team.

The season starts in November and lasts until February. Some of the tournaments they have competed in include: the Glenbard North High School tournament, the Fenton High School tournament and the District 214 tournament.

The team went from twenty members last year to ten this year, but they still had an exciting season. Seniors Beth McKenna and Missy Shell, and sophomore Carolyn Kersemeier all worked in the original oratory category. Juniors Diane Lange and Laurey Biegert teamed up on the humorous duet acting category. Sophomore Eric Olsen showed promise in working on original comedy. Head coach, Mr. Bellito, and assistant coach, Mrs. Murphy, helped the entire team improve their speaking talents.

S.O.S. Strives For Success

Service Over Self had another extremely successful year. S.O.S., sponsored by Mr. Kozlowski, is a community serving organization. Their services, such as senior citizen clean-ups and holiday parties, provide help and entertainment for those in need.

This year there has been a great number of participating students. Among the members are presidents Mary Boettcher and Mary Odonnell and officers Mike Bracher, Chris Erlon, Lea Newren, and Joan Spiel.

Besides community recognition, T.V. and news paper editorials, there is a group pride and a self-fulfillment met through this club.

A.F.S. Offers International Opportunities

A.F.S. is a program designed to bring people together, to share each others interests and make new friends. The main idea of A.F.S. is to get everyone involved in the sharing of foreign cultures.

In past years A.F.S. has sent 34 Hersey students on the A.F.S. American Abroad or Domestic Programs. This year several students from Hersey went abroad: Sue Dietzen to West Germany, Al Kastner to Guatemala and Mary Stanaszek to Brazil.

Four foreign exchange students were at Hersey this year: Jorn Focken from West Germany, Manuel Gomez from Portugal, Maria Pelidis from Greece and Magarett Svinsson from Sweden.

The many thousands of dollars raised over the years through activities such as the Pizza Sale and the A.F.S. dinner make this program possible.

A.F.S. is a great way to meet a wide variety of people and explore different ways of life. Sponsoring this fine organization are Mr. Dennis Olenik and Mrs. Lillian Bandelow.

English/Fine Arts Department Is In Tune With The Times

The English/Fine Arts Department is a very organized portion of Hersey's academic program. The department is composed of nineteen teachers. They try their best to successfully educate all of the students who are enrolled in the many different courses offered. To make this year's classes more interesting and worthwhile, new textbooks have been added and materials have been updated.

The E.F.A. Department is involved in many different events and activities. One of these events is the Arts Unlimited program, which was held from April 21 to May 19, 1982. The Debate and Individual Events speech teams are also sponsored by the E.F.A. Department.

Many publications are put out by the English/Fine Arts Department. The yearbook, with advisor Mr. Kozanecki, and the Correspondent, with advisor Mr. McDonnell are products of the E.F.A. Department. The Art-Literature magazine, which is in the final pages of the yearbook, is also produced by this department.

There are many people, teachers as well as students, who work together to make all of these activities run smoothly. Without the English/Fine Arts Department, Hersey's academic success would definitely be lacking.

Math-Science Gives Students A Challenge

Twenty-two dedicated faculty members, plus ample laboratory facilities, multiplied by three-fourths of Hersey's enthusiastic students is an appropriate equation for the Math-Science Division. This department, which has been headed by Donald Hruby for the past 14 years, has proven itself to be outstanding.

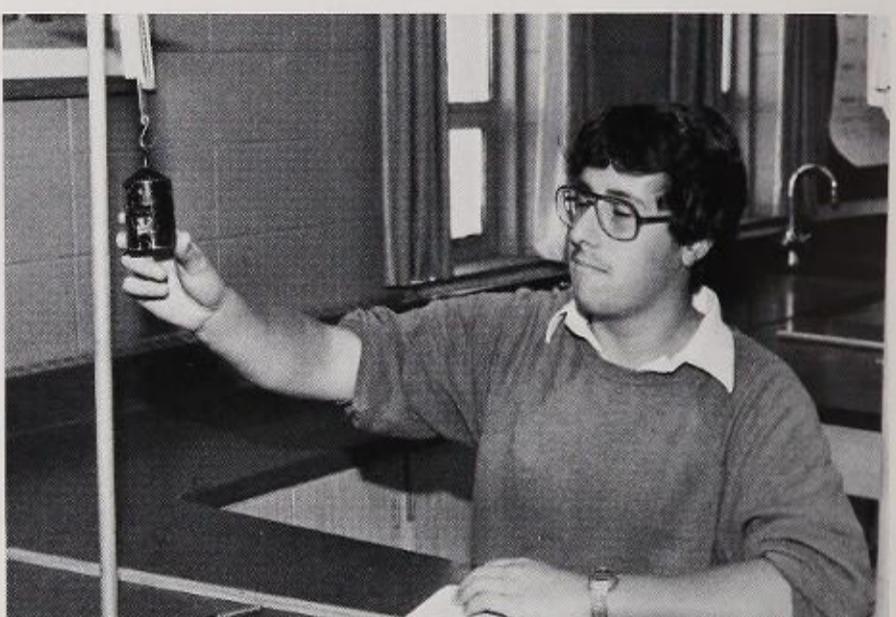

With classes ranging from Algebra and Biology, to Calculus and Zoology, this department offers students a wide variety of academic options. The computer class, which captures the interests of many students, is one of the fastest growing courses in the division. Human Physiology, which introduces juniors and seniors to health related fields of study, is another popular class. Also, if a student needs a place to study, the Math-Science Resource room is always available.

As a result of teachers' dedication and excellent programs, students benefit a great deal from this department.

Soc. Sci./For. Lang. Dept. Deals With Human Conditions, World Culture

Students benefit a great deal from the Social Science/Foreign Language Department. They learn how to speak many different languages and learn how people behave in their cultures. The department sponsors language clubs and the S.O.S. Club. The resource room is a great place to research information about subjects concerning this department.

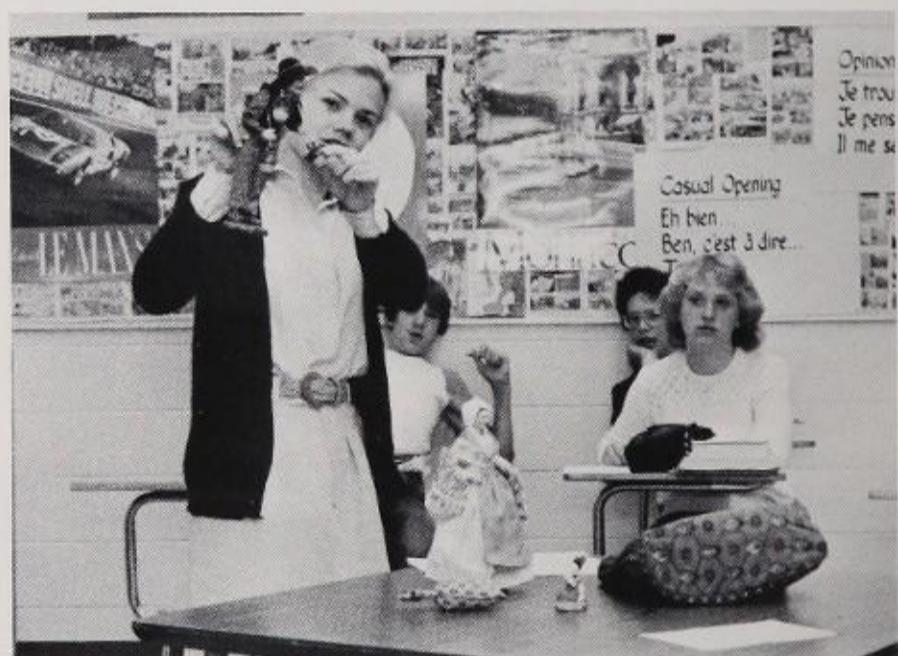

New changes in curriculum are in store for next year, one of which includes a Psychology II course. The Marriage and Family class was almost dropped from the program next year, but it wasn't because the class was too popular with many students. The Twentieth Century War course is changing its title to Conflict and War. Mr. Schmidt, the head of this department, is concerned with decreasing enrollment. It is difficult to keep offering the specialty courses with declining enrollment. Mr. Schmidt is still going to try to keep offering the courses despite this problem.

Looking forward to next year, the department is expanding its horizons. It hopes to continue to offer new and exciting challenges to students.

P.E. is the only class that students are required to take throughout all four years at Hersey. It has become more exciting for juniors and seniors, due to the fact that they have the opportunity to choose among many activities. For instance, they may select volleyball, basketball, weight training, aerobics, bowling, and more. This enables students to enjoy P.E. more because they are in the group they selected.

As always, there were changes and adjustments among the teachers. Both Mrs. Sadler and Mrs. Duba left the staff to become full-time mothers. Miss Ost married and is now Mrs. Wright. Miss Sullivan also married, and is presently known as Mrs. Holmgren. Mrs. Manning formerly Miss Blaney, was a 1975 graduate of Hersey.

If students participate and are enthusiastic in P.E. it can be very challenging and enjoyable.

Deaf Ed. Department Growing

Hersey's Deaf Ed. Department seems to be getting bigger and bigger. This year it has grown to over eighty students, the biggest it's ever been. The department staff continues to grow also. Teachers new to our Deaf Ed. program are Ruth Cohen, Linda Siers, and Driver Ed. teacher Bud Bornman. New interpreters are Christy Egan, Diane Sparacio, and Mary Yuill. Presently, the staff is trying to update the curriculum and has added a new computer course.

A.V. students work together.

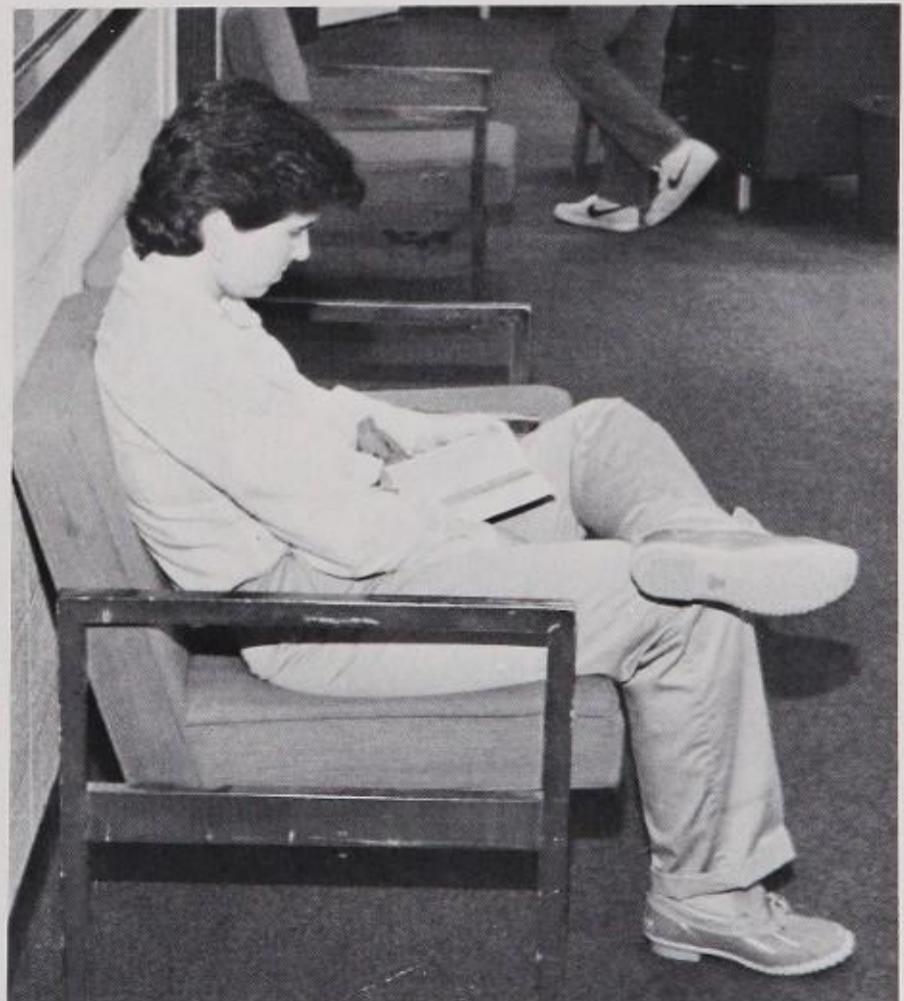

Dawn Galla and Mike Christy check out the comics during study hall.

New required study hall attendance has made the library become a quieter study area. Head librarian, Mr. Olenik stated that the library is much quieter and the kids are more cooperative than in the past. The library staff has been assisted this year by volunteer students who have spare time during their study hall. Volunteering gives the student a chance to learn about the library and lend a helping hand.

The Hersey reference room has become a favorite place for serious research and homework. The room was carpeted at the beginning of the school year which adds to the atmosphere of silence and serenity. But, one may still get into some less serious work by checking out some head-phones and tuning in to the FM radio which was a gift from a previous senior class.

The Audio-Visual Department provides many services to the school. Its resources are used at some time in almost every classroom. Equipment found here includes film projectors, slide projectors, overhead projectors, tape players and cameras, just to name a few.

Guidance Dept. Gives Advice

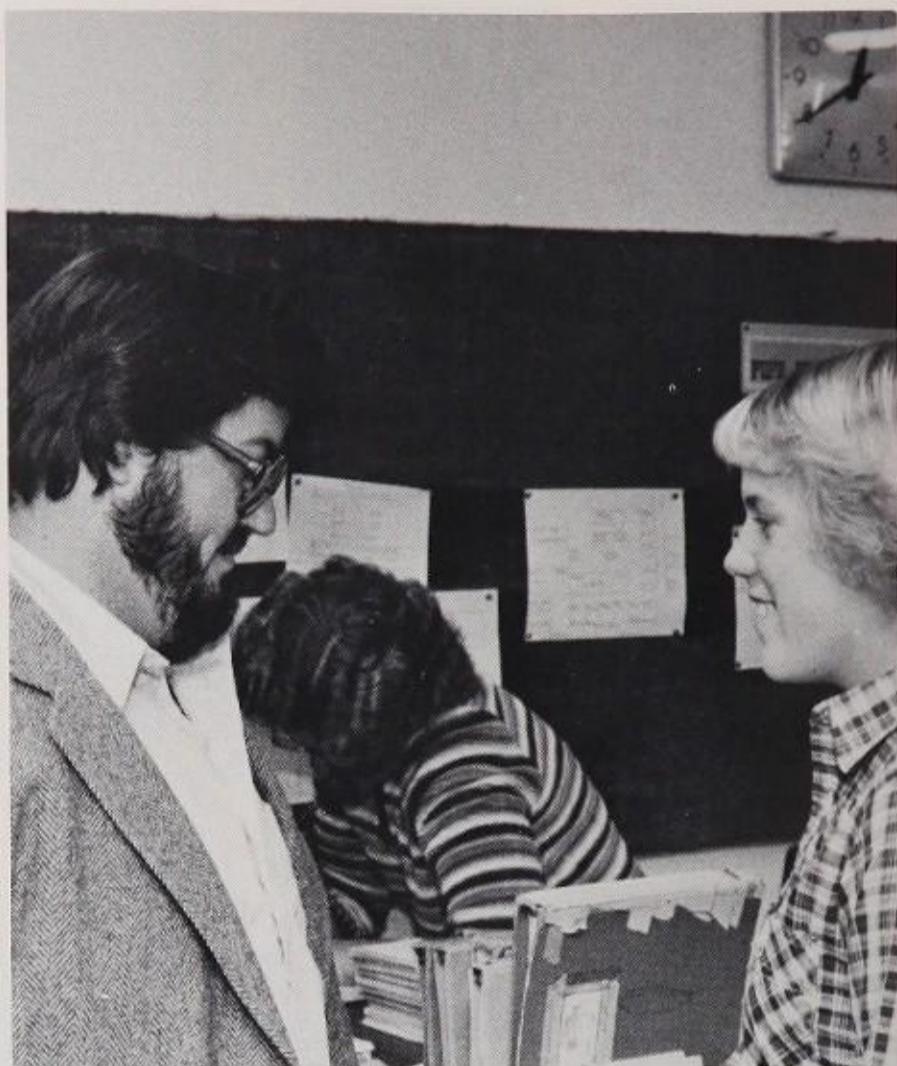

For the past 13 years the Pupil Personnel Service (PPS) has been headed by Mr. Donald Henne. The main purpose of this department is to advise and give information to the students.

Also working with the department are Carol Steenbock, school psychologist; Dolores Scully, school nurse; Cathy Bieber, speech therapist; Guy Karm, police counselor; Robert Leece, I.R. coordinator; David Toepke, I.R. counselor; and Joan Callen and Robert Hannon, deaf ed counselors.

The college career program is headed again this year by Samuel Perpitch, and he is assisted by Henry Blim. They make arrangements for college representatives to come and visit. They also help students work on the computer, and this helps them decide which schools to consider.

Many students benefit from these skilled people, who help them along, and make life's path a bit easier.

IN MEMORY OF

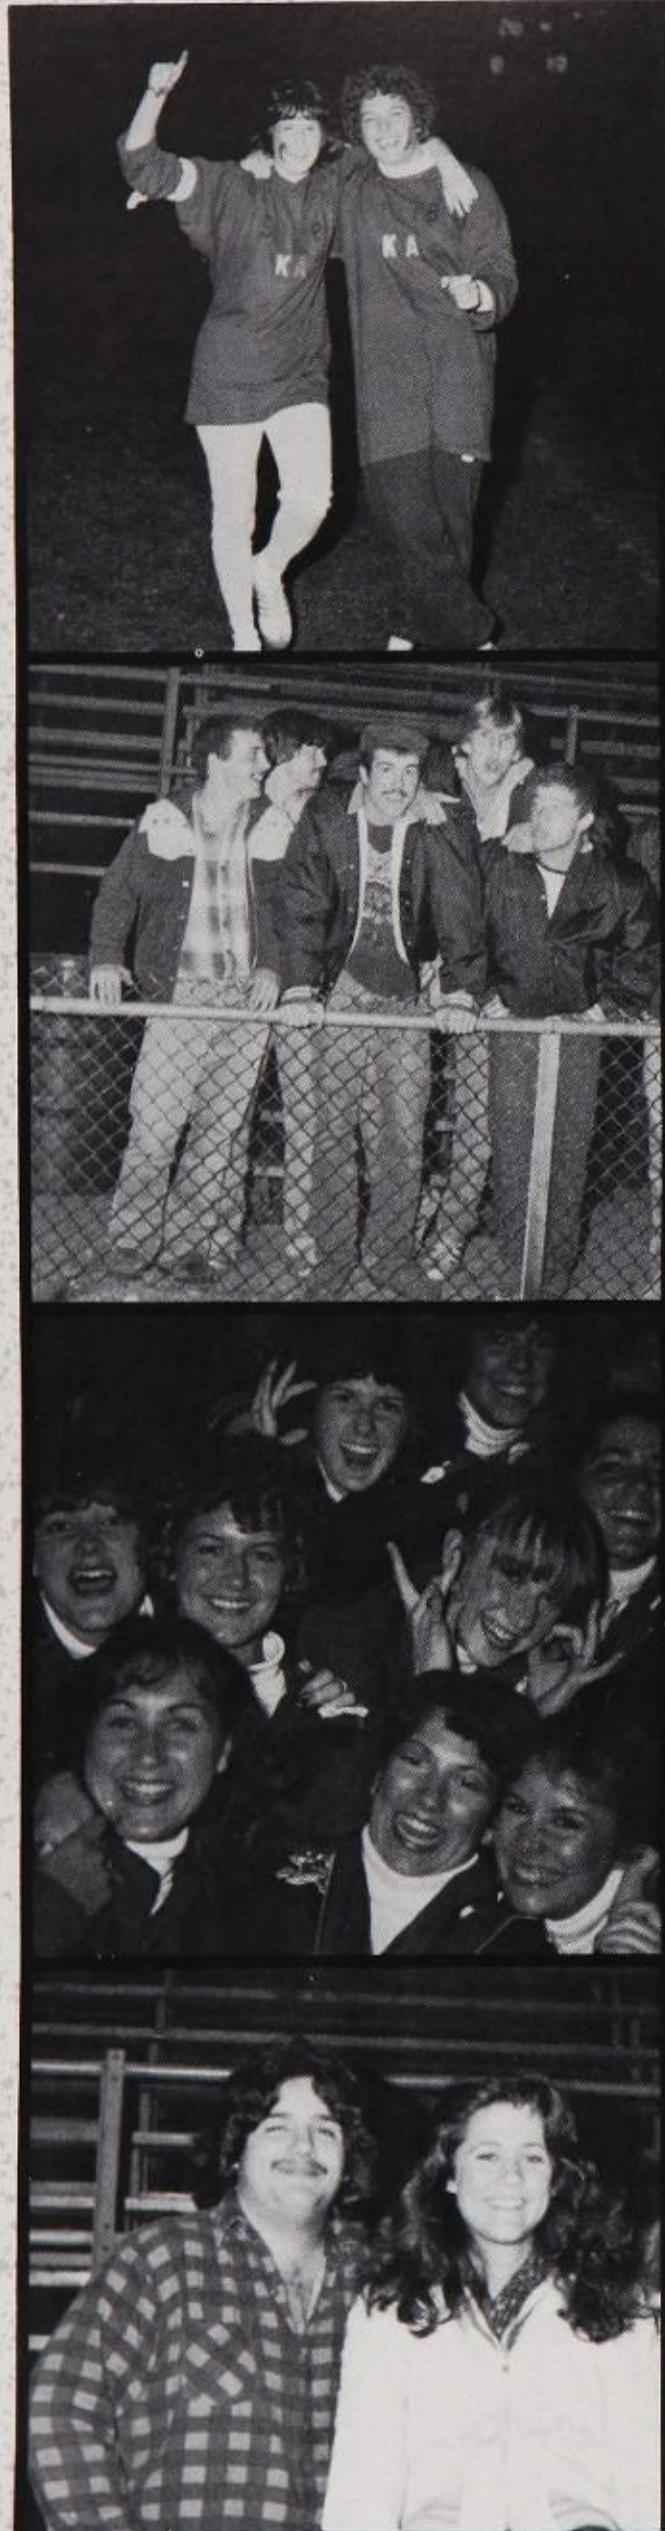

KURT THYREEN

*You have left us quietly
friend-
and our minds cannot bear
to reason why.
We simply open our
hearts wider,
As we discover how much a
part of it you were.
We will remember all those
warm times shared,
And always appreciate
the special friend we had.
For this is life-
this is the reason for which we live . . .*

by Carolyn Pasterski '82

82 Senior Class

*The past four years have come
and gone just like the ones before,
But every year we learn new
things and open brand new doors.*

*We started off our freshmen year
so many things were new,
We joined some clubs and made
new friends we knew we'd make
it through.*

*Our sophomore year was next
to come-now we knew the ropes.
We trudged ahead with all our
might and all our many hopes.*

*As juniors we were upperclassmen
almost to the top.
We knew that nothing could stand
in our way or ever make us stop.*

*Senior year has finally come we
thought we'd be glad,
But looking back on memories we
often find we're sad.*

*Our high school years will plant
themselves firmly in our minds,
The friends we've made and
memories will not be left behind.*

Another exciting year at Hersey has come to an end, and it has been a fantastic year for all of us on the yearbook staff! I feel the 1981-82 yearbook staff has captured many special moments and memories for all of us to reflect upon for years to come.

Thanks are in order for some very special people. Thanks go to our great student body for being the cast of our book. I would also like to thank Allison Barkow (Class of '82) for her creative ideas and her beautiful cover design. Special thanks go to Dennis Eder of American Yearbook Company, and also Mr. and Mrs. Norb Dompke and their Root Photographers for their fine photography and excellent service to our school and Yearbook. Most of all, I would like to thank Mr. Michael Kozanecki for all his effort and time spent in helping us publish one of the best Endeavors ever!

Sincerely,

The day I was born the snow was melting off the roof of the red brick house on the corner. The snow formed small drops of water that gathered along the edge of the gutter and prepared to jump off and fall the dangerous fifteen feet to the ground. It just so happened that on that day the air was so cold that the water drops froze before they could drip from the roof, making me what I am today.

The water came hard and fast, and by five o'clock I was complete. I was long and fat and hung down a good three feet from the highest point of the roof on the red brick house.

I had no ears; I could only feel the others around me by the vibrations going through the gutter. I had no real eyes either, but I was so smooth and clear that everything around me was reflected in myself, and that was how I could see.

My birth was complete. I was the largest icicle suspended from the roof of the house on the corner and I was proud. I could look to the left and the right and see all my friends reflected in me. Some were larger than others, but none were larger than I. We all hung there lazily, with nothing to do except look around us and worry about small children and sunlight.

Small children delighted in throwing snowballs at us and watching us fall and splinter in a million tiny pieces when we hit the cement below. Though I, being the largest, was their prize target, none of the children could aim well enough and hit hard enough to break me off my feet, which were stuck to the gutter. As for sunlight, well, we all knew what a sunny day would bring.

Our days fell into a routine that lasted all through the cold snap. At sunrise the man that lived in the red house would climb into his car and drive away. He would not be back until sundown. As he walked out of the house in the morning we would all try to reflect him so we could see if his breath came out in puffs of smoke. If it did, we would be safe for that day. It would be cold enough for us. Later a small child (the kind who threw snowballs at us) would leave the house also. When he returned he would try to hit me with a tightly packed snowball. The closest he ever came was to nick the end off an icicle five down from me on the slanty roof.

During the night we would try to make up for the loss of water we had experienced during the day. The afternoons were the worst, when the sun shone down on us, causing our outer layers of ice to run down our tips and drip off on the cement. When night came, we all urged the drops of water to freeze on us, to make us fat and smooth again.

And so the days passed, each the same as the one before, until one came upon us that was different from all the others.

The first thing that we noticed was that the man's breath did not come out in puffs of smoke. We tried to console each other by saying that we had not looked carefully enough, that we had just missed it. By the time the sun was at the top of the sky it was apparent that we had seen right. Our outer layers of ice turned to water and ran off us; at first slowly, and then faster. My steadfast foot has water buildup underneath it and I could feel it getting weaker. The rays of the sun burned their way into me. That dreadful, hateful sun. I tried to hang onto the gutter the best I could but it was to no avail. I fell, a scrawny six inch icicle, and shattered on the cement below. I looked around me only to see a pool of water surrounding the melting I. As the sun's rays melted me to nothing I comforted myself with the thought that I had at least died of natural causes. I could have been hit by a snowball.

GROWING

*I don't want to lose touch
With what is more than just a feeling
But an inspiration, a discovery
of myself. . .*

THE NIGHT

*Spend a night sitting, staring,
smelling clean, fresh night air,
listening to so much confusion.
Wondering where it all came from
and where it will end.*

A SEASON (TRAINING)

*We've gone through a lot this season,
from losing a few first places and
some great races,
to gaining the goals and achievements
we believe,
Many pains and aches we tried
to conquer.
We find that it takes one thing
to be a winner —
believing in yourself.*

OH, THESE TEARS AGAIN

Tears again -

and the way I feel still in my mind.

Time has passed,

but I can't as easily forget as I can forgive.

I know I still care,

but a touch for those words are lost.

Sometimes when I look

at life

A part of me escapes

from within -

And somehow I know I

haven't changed.

I still find the best

in everything I see,

I know that is one

sight I will never lose!

Carolyn Pasterski '82

*If I gave you a rainbow
with the colors of my heart
would you wrap it in a ribbon
that would never break apart?*

*If I gave you the shooting stars
that I've wished upon
time after time
Would you keep them forever
just because they were mine?*

*If I gave you the sunshine
to brighten up your everyday
Could I get a guarantee
You would always come my way?*

*I gave you these things
from the bottom of my heart,
Do you still respect them,
Now that we're apart?*

ONE SINGLE LIFE

We have each been granted One Single Life. One life to do with as we may.

Our lives may differ in environment, wealth, and material things, all of which are irrelevant. Although some have not been granted the same or perfected life as others, we all begin as equals in the way that we are all unique persons but all strive for a common goal.

The goal to live our life to the fullest and to make the best of our life and its surroundings. We must all strive to be the best person that we can possibly be.

This goal can be achieved by taking advantage of the many opportunities life has to offer. We must constantly try our hardest and apply our gifts and talents in the best way we can. We can not always win or succeed but we find contentment in being able to prove to ourselves that we have put forth every effort possible. This rewards itself many times over. We sometimes discover that within us there emerges abilities and desires that we never knew existed.

We have each been granted One Single Life. We must either choose to make an effort to live or to let this life pass us by without ever really living it. There are no second chances, for we are each granted One Single Life!

FACING GRADUATION

Faces of old and faces of new

*people we know and people we knew—
Growing together and drifting apart,
always an ending and now a new start.*

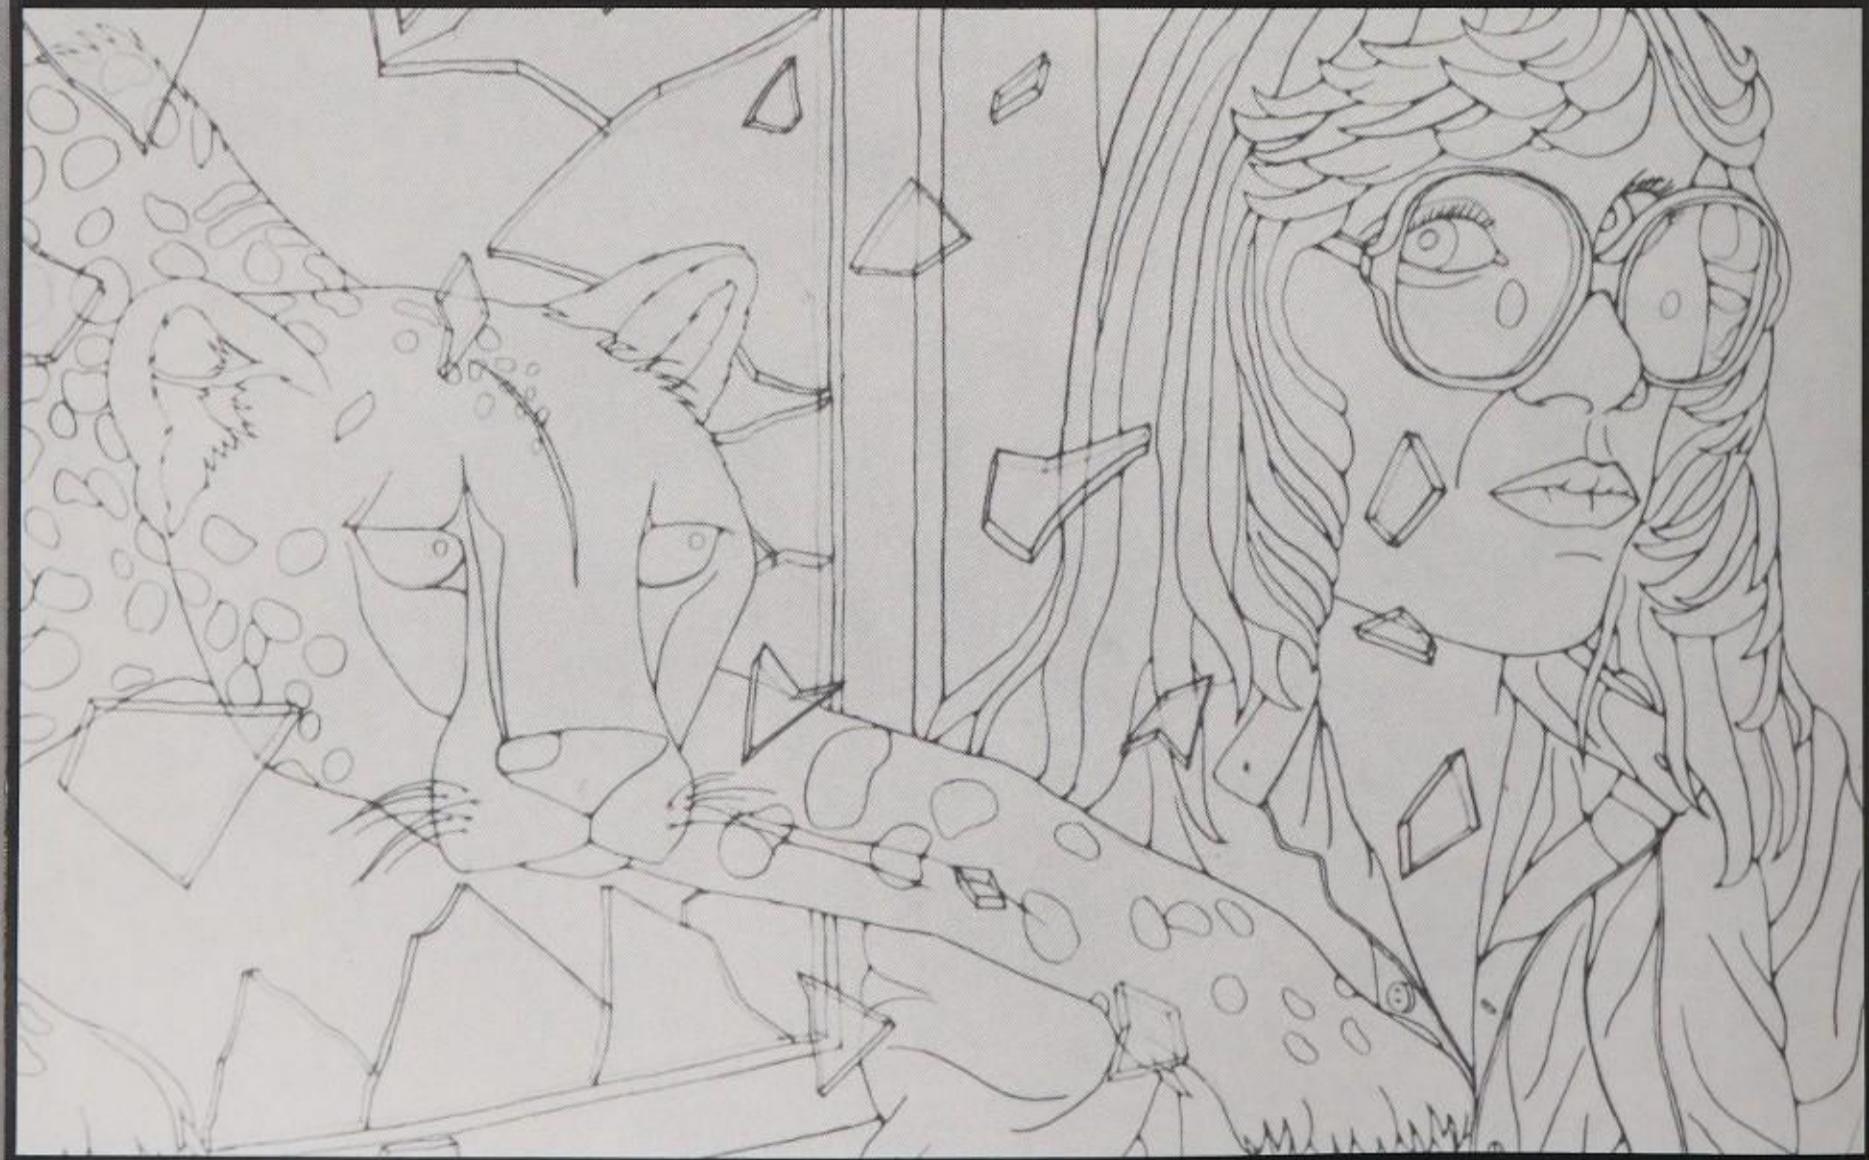

*At graduation we all grow nearer
and all our friends seem so much dearer.*

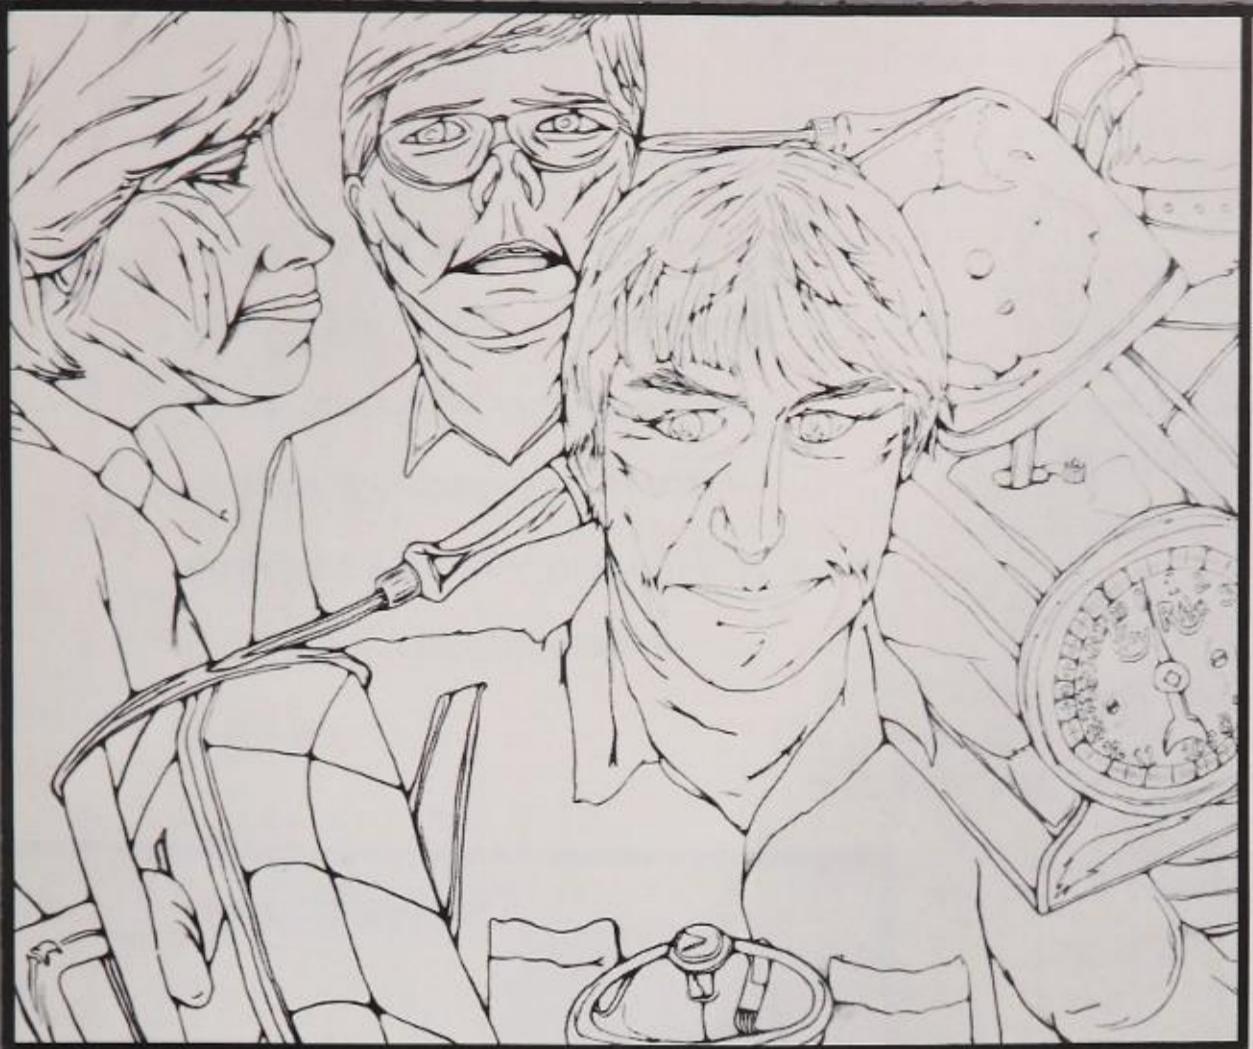

*And as we say our final goodbye,
one last embrace and one more cry—
A "keep in touch" and a "promise I will"
a remember when, but better still,
a place in my heart, you'll always stay.*

This is what's said as we go our own ways.

A KISS

A kiss says everything to be said
Meaning love to those who want it.
Healing the wounds that should have bled
For children who trip and tumble.
This deed expresses joy and fun
And reaches out in welcome.
From thrills to triumphs when they come,
Or troubles with shedded tears to appear
A kiss shows liking, love and splendor.
Bringing many dreams to life
Filling it with bounce and vigor
Crowning me as though a queen.
Now remains one special kiss:
the sealing of my wedded bliss.

and you'll find time
alone
is a very special

I AM

*I am not a thing,
Nor a gadget,
Nor an object of manipulation.
I am young and free and alive.
I am human, just like you.
Not the sun above you,
Or the ground below you.
Not an opponent,
Who would impede your growth,
But a friend who would encourage it.
A woman to be beside you,
Not your instructor to teach you,
Nor your maid to pick up after you,
Or your psychologist to analyze you.
But someone to comfort you,
Confide in you, inspire you
And believe in you.
I can be everything I want to be,
And nothing I don't wish to be.
I can hurt and be hurt.
I can love and be loved and
I can be gentle or strong.
I am not to be pitied,
Nor taken for granted.
I do not want to be used,
As one uses a utensil.
But you are seeing me differently,
You look at me and see someone
who will hold you back,*

Inhibit you, restrain you.

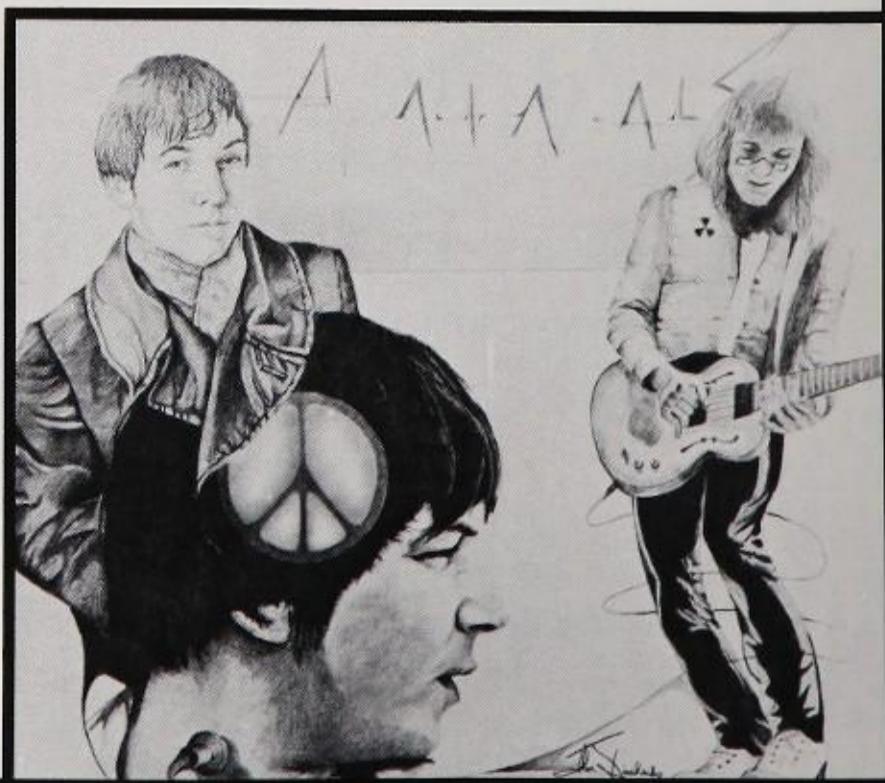

*Until you see who I am,
I will go.
But because of who I am,
If you do not reach out today,
I will simply wait until tomorrow.*

LIKE SEASONS

*Does our friendship remind you of the seasons?
In four parts that show our feelings.
For at times our feelings wither
and eventually die in the cold,
And when brought on new again
we find life and summer warmth in our hearts.*

NEVER SAY NEVER

*You have not known love,
Until you have felt,
The hurt, the pain, the sorrow.
The fear of losing the one you love,
Not knowing if there's a tomorrow.

But there can be joy,
If you love true, and from the heart,
Just remember, never say never.

For you don't appreciate what you have,
Until it is lost forever.*

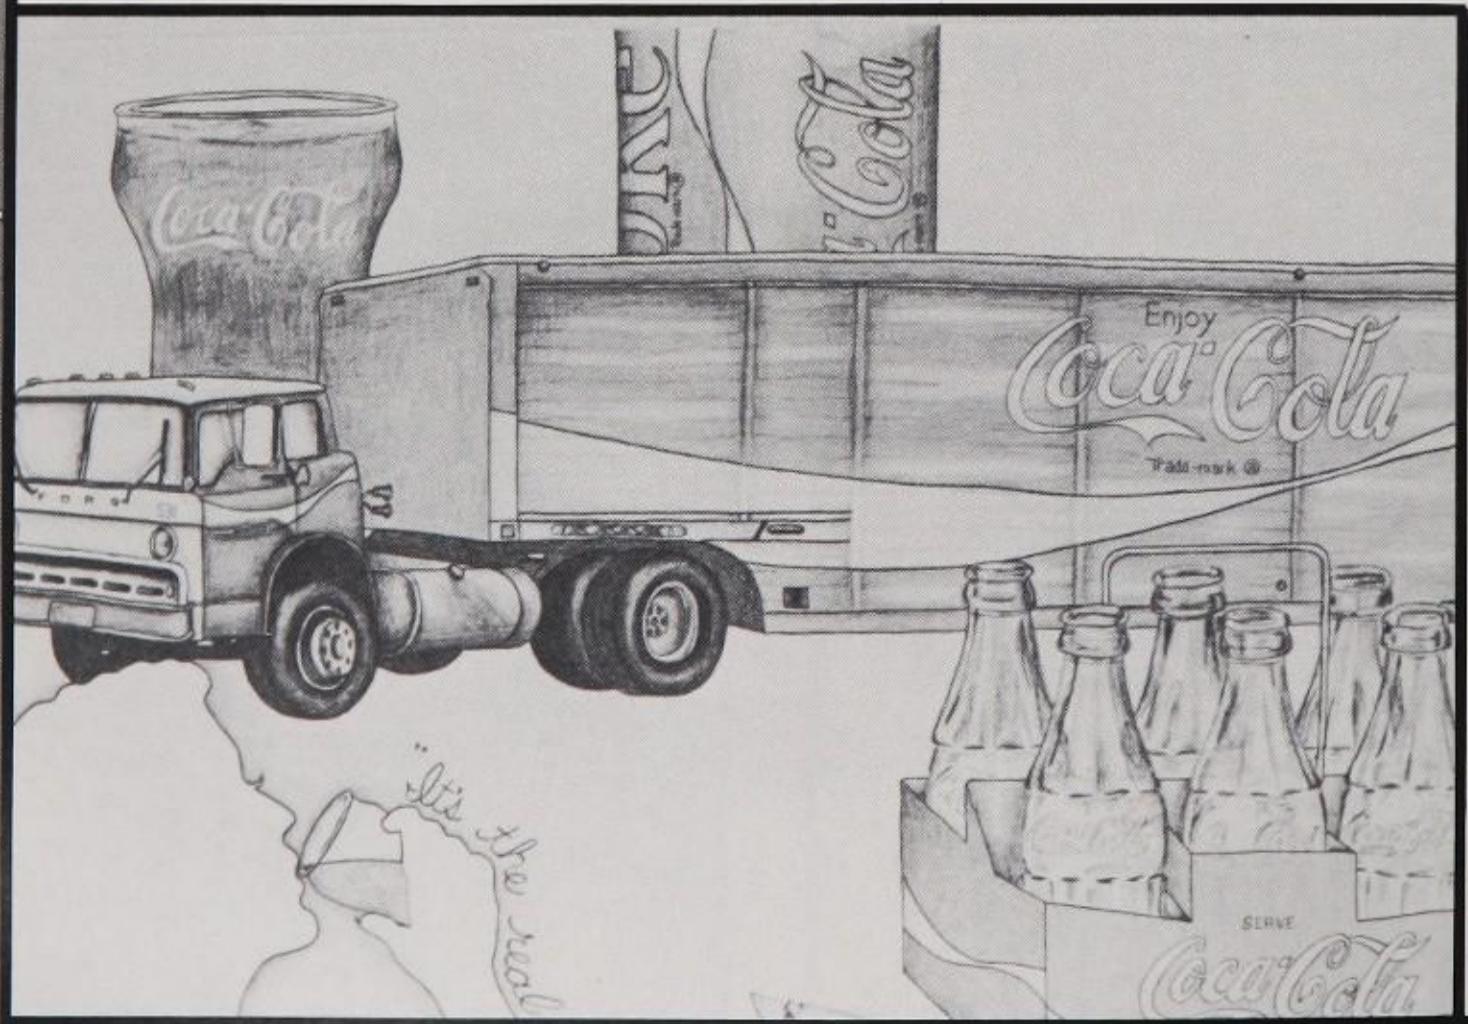

Lena Ryman '83

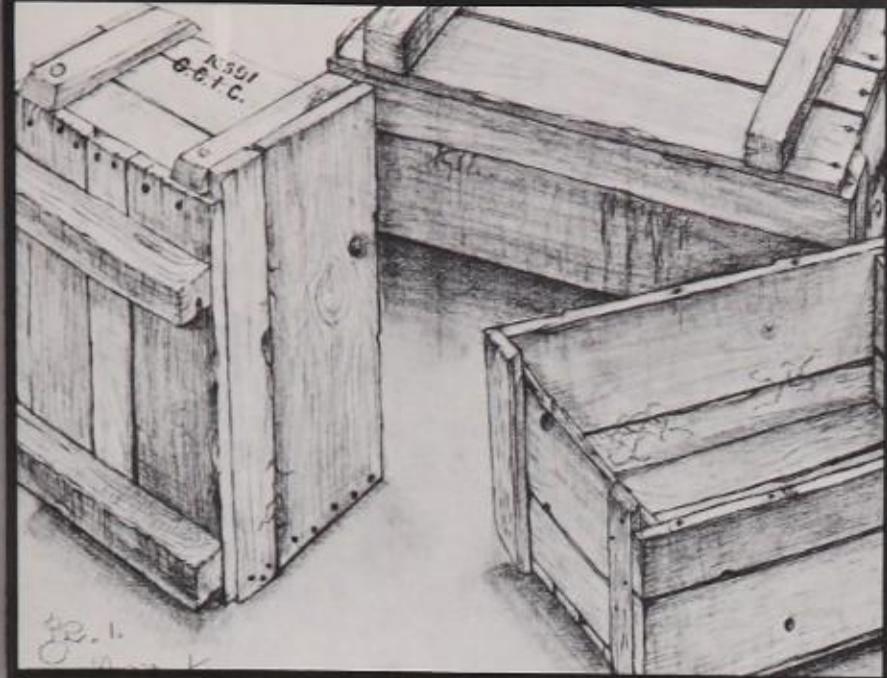

DARKNESS

*Darkness is a tranquil form of nothingness.
A never ending road of tragedy.
No yesterday, no tomorrow,
No past, no present, and the future is not acknowledged.
For some, darkness is an experience,
For others, a bizarre illusion
Darkness is unexpected and can fool all minds.
It is unpredictable, and its presence is not always
known.
Walk with your head up high, in hope you never see it.
It revolves around death, and consumes life.
If you're not careful, it can consume you!*

I'm so sad, why do I have to feel this way?

He hurt me so, did he really mean it? Or
doesn't he

even realize what he's done.

He was so loving, gentle, and caring then, I
believed that he really understood.

I feel so lost and used, did he take
advantage of me?

Everything was so right, though it only
lasted

for a short time,

But now everything is very wrong, and the
tears

are starting to build up in my eyes.

He made me like him so and now he has
totally

let me go.

It hurts more than I can say, why did he
have to get

up and without a word go away?

I'm hurting inside, but I won't let anyone
know,

They all knew that he had to go.

I guess I knew deep down inside, but I'm
the one who

now sits and cries.

Daddy's Girl

Daddy's girl is packed and ready
to go,

With her life stuffed into one truck,
three cardboard boxes

And a shopping bag.

Her mind is confused,
Not quite sure if she's ready.

But Daddy is there with support,
And ready to let her go.

Tomorrow . . . she'll be all alone
in an empty dorm

Hanging posters on the walls.

But today, Daddy's girl

Sits on a truck amidst cardboard
boxes

Reaching out for reassurance

That although she's growing up,
She will always be Daddy's girl.

A TRIBUTE

*As I lie here, in the dark,
Staring into the infinite sky,
All my memories return to haunt me,
And I must ask myself, Why?
Why do things happen?
Why must people die?
Is there a reason?
Or is it all a big lie?
Maybe people never leave us,
Maybe they never really go,
Loved ones surround us, everywhere,
In memories, close to our heart
... and soul.*

LONLINESS ISN'T BEING ALONE

*Lonliness isn't being alone,
It's seeing the sunset
And having no one to share it with,
Or knowing a secret
And having no one to tell it to.
It can be walking in a crowd
And not seeing anyone familiar,
Or seeing someone you know
And having them look right through you.
But being alone
Is sitting still and letting your imagination*

*Run wild,
Or doodling on a piece of scrap paper
While you daydream,
Or walking on the beach at night,
A solitary figure,
Watching the waves
And thinking about tomorrow. . . .
If you think about it
Lonliness isn't being alone at all.*

Lisa Young '82

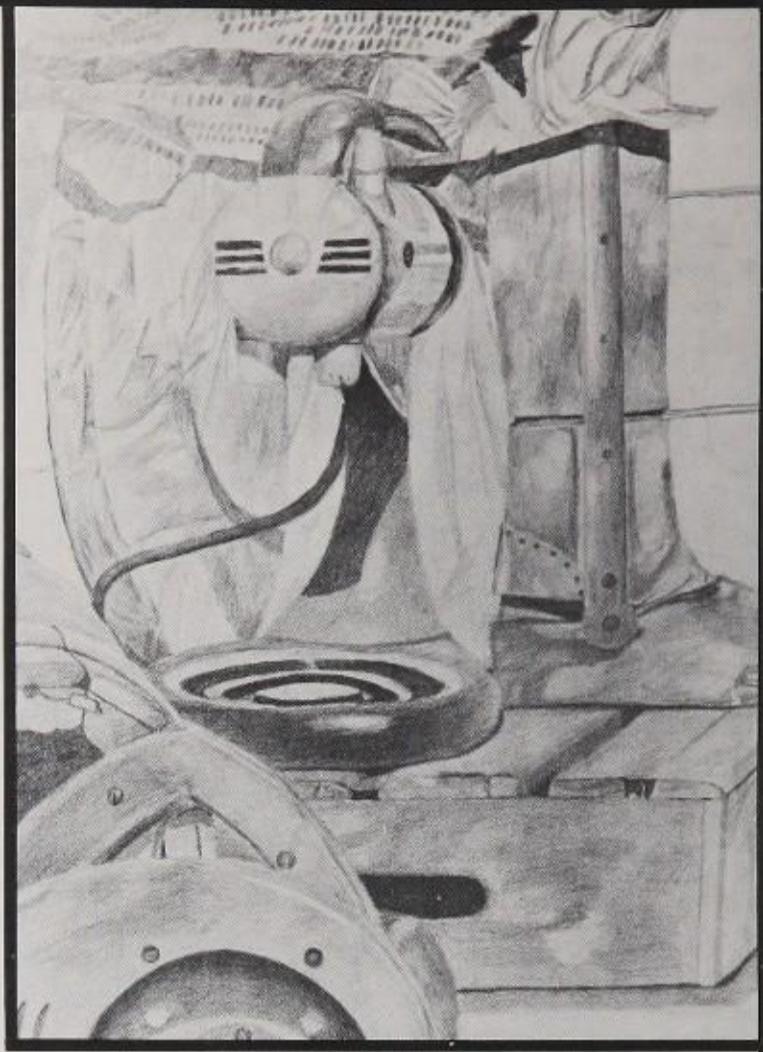

*Black is the night that hides the secrets
 Of fortunes and dreams yet untold
 It seeps in, deeper and deeper dark,
 Until Dawn in her glory shall unfold
 The stars that shimmer so brilliantly
 Their bed of heavens unknown
 Beckon to me with a blink and a shine
 As if I was one of their own.
 The night brings back old memories
 Memories of a love had and lost
 The dreams of a girl are not forgotten
 And the pain not fully erased
 But young dreams are easily extinguished
 Others are quick to appear
 We lived and we laughed and we learned.
 Never knowing the meaning of fear.
 The years didn't fade the beauty
 Of that special love that we had
 Even now something is missing
 Something beautiful yet sad
 The night will not release me
 From the haunting sky above
 And though we're farther apart now
 I will always treasure our love.
 I loved you with a passion
 I loved you with my heart.
 Black is the night that hides the secrets
 Of fortunes and dreams yet untold*

COMPARISON

*A glistening orange,
 Shining in the sunlight,
 Is put on a table
 Where everything is out of
 its control.
 Its skin is hard and tough and thick,
 And you wouldn't think
 that
 Anything could hurt it.
 Yet when I peel that
 Uneven surface back
 I find that inside it is unprotected;
 That it could be easily harmed,
 Or even destroyed.
 When I tear it apart,
 Or put pressure on it in any way,
 Its sweet juice runs down my arms
 Like tiny tears,
 As if I had hurt it.
 Hold an orange in your hand
 And think about the human race.
 We could be more alike than was thought
 before.*

KICKBACK

*As I sit here, tired and weak
 I know soon life will reach its peak.
 I've been through many suffering days
 and now I've learned that it pays.
 To be loving and caring to one another
 to treat a friend as one's own brother.
 No matter how bad things may get
 a kickback is always set
 For every hard time soon follows a good
 and the opposite goes, just as it should.
 For if life was always full of fun
 I would rather life be done.
 I feel we need bad times too
 to make life seem special and true.*

FOREVER FRIENDS

*A shoulder to cry on,
An ear to bend,
Money to borrow,
Clothes to lend.
Friday night movies,
Afternoon walks,
Being together,
Our "private" talks.
Mending our hearts,
Crying those tears,
Planning our futures,
Voicing our fears.
Our memories together
May they never end,
Always together,
Forever Friends!*
